

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Laurel Wilson
DOCKET NO.: 25-00478.001-R-1
PARCEL NO.: 04-04-424-014

The parties of record before the Property Tax Appeal Board are Laurel Wilson, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,857
IMPR.: \$99,132
TOTAL: \$109,989

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame exterior construction with 1,457 square feet of living area. The dwelling is approximately 48 years old. Features of the home include a basement, central air conditioning, and an 810 garage. The property has a 15,960 square foot site and is located in Winthrop Harbor, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on nine comparable sales located from 0.17 of a mile to 1.33 miles from the subject. The parcels range in size from 4,125 to 51,139 square feet of land area and are improved with 1-story homes ranging in size from 1,185 to 1,584 square feet of living area. The dwellings are from 36 to 71 years old. Each home has a basement. Eight comparables have a garage ranging in size from 294 to 1,200 square feet of building area and six homes have central air conditioning. The comparables sold from January 2023 to May 2025 for prices

ranging from \$180,000 to \$278,000 or from \$144.74 to \$202.03 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$109,989. The subject's assessment reflects a market value of \$330,000 or \$226.49 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located from 0.21 of a mile to 1.00 mile from the subject. The parcels range in size from 7,000 to 15,960 square feet of land area and are improved with 1-story homes ranging in size from 1,176 to 1,470 square feet of living area. The dwellings are 40 to 53 years old. Each home has a basement, two with finished area, central air conditioning, and a 576 or a 720 square foot garage. The comparables sold from March to July 2024 for prices ranging from \$284,900 to \$340,000 or from \$225.54 to \$242.26 per square foot of living area, including land. Based on this evidence the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of thirteen comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 through #8, which sold less proximate in time to the assessment date than the other sales in this record and/or differ substantially from the subject in dwelling size, age, site size, and/or central air conditioning amenity. The Board gives less weight to the board of review's comparables #1, #3 and #4, which are substantially smaller homes than the subject and/or have finished basement area unlike the subject.

The Board finds the best evidence of market value to be the appellant's comparable #9 and the board of review comparable #2, which sold more proximate in time to the assessment date and are more similar to the subject in dwelling size, age, location, and most features, although these comparables have smaller sites and smaller garages than the subject, suggesting upward adjustments to these comparables would be needed to make them more equivalent to the subject. These most similar comparables sold for prices of \$265,000 and \$295,000 or \$192.03 and \$225.54 per square foot of living area, including land, respectively. The subject's assessment reflects a market value of \$330,000 or \$226.49 per square foot of living area, including land, which is above the two best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, such as site size and garage size, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
