FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Julia Leblanc
DOCKET NO.: 25-00486.001-R-1
PARCEL NO.: 04-10-306-001

The parties of record before the Property Tax Appeal Board are Julia Leblanc, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$13,644
IMPR.:	$91,877
TOTAL:	$105,521

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame exterior construction with 1,128 square feet of living area. The dwelling is approximately 33 years old. Features of the home include a basement and a 760 square foot garage. The property has a 28,699 square foot site and is located in Winthrop Harbor, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on seven comparable sales located within 0.95 of a mile from the subject. The parcels range in size from 5,702 to 28,501 square feet of land area and are improves with 1-story homes ranging in size from 912 to 1,288 square feet of living area. The dwellings are 38 to 71 years old and each home features a basement. Three homes have central air conditioning and six comparables have a garage ranging in size from 396 to 775 square feet of building area. The comparables sold from January 2023 to February 2025 for prices ranging

from $178,000 to $245,000 or from $145.63 to $218.75 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $105,521. The subject's assessment reflects a market value of $316,595 or $280.67 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 1.01 miles from the subject. The parcels range in size from 4,125 to 6,650 square feet of land area and are improved with 1-story homes ranging in size from 1,025 to 1,160 square feet of living area. The homes are 36 to 59 years old and each home has a basement with finished area and central air conditioning. Two homes have a 576 or a 624 square foot garage. The comparables sold from April to June 2025 for prices ranging from $280,000 to $305,000 or from $259.48 to $273.17 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #3, which sold less proximate in time to the assessment date than the other sales in this record, and to the appellant's comparables #1, #4, and #5, due to substantial differences from the subject in dwelling size or age.

The Board finds the best evidence of market value to be the appellant's comparables #6 and #7 and the board of review's comparables, which sold more proximate in time to the assessment date and are more similar to the subject in dwelling size, design, location, and some features, although these comparables have smaller sites and are older homes than the subject, three comparables have finished basement area unlike the subject, and four comparables have central air conditioning unlike the subject, suggesting adjustments would be needed to make these comparables more equivalent to the subject. These comparables sold for prices ranging from $229,900 to $305,000 or from $186.91 to $273.17 per square foot of living area, including land. The subject's assessment reflects a market value of $316,595 or $280.67 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. However, after considering appropriate adjustments to the best comparables for differences from the subject, such as their smaller sites and older homes, the Board finds the subject's assessment is supported. Based on this evidence, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
