FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Joe Mendez
DOCKET NO.: 25-00493.001-R-1
PARCEL NO.: 04-16-318-008

The parties of record before the Property Tax Appeal Board are Joe Mendez, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$8,882
IMPR.:	$63,902
TOTAL:	$72,784

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of frame exterior construction with 1,064 square feet of living area. The dwelling is approximately 56 years old. Features of the home include a basement and a 768 square foot garage. The property has a 7,191 square foot site and is located in Zion, Zion Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on nine comparable sales located within 0.86 of a mile from the subject. The parcels range from 5,719 to 19,402 square feet of land area and are improved with 1-story homes ranging from 880 to 1,216 square feet of living area. The dwellings are 47 to 94 years old. Each home has a basement, six homes have central air conditioning, and seven homes have a garage ranging from 260 to 1,008 square feet of building area. The comparables sold from January 2023 to September 2025 for prices ranging from $118,000 to $262,500 or from $111.02

to $229.46 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $72,784. The subject's assessment reflects a market value of $218,374 or $205.24 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.40 of a mile from the subject. The parcels range from 6,090 to 8,700 square feet of land area and are improved with 1-story homes with 1,064 or 1,189 square feet of living area. The dwellings are 55 or 61 years old. Each home has a basement, two homes have central air conditioning, and each comparable has a garage ranging from 440 to 960 square feet of building area. The comparables sold from June to November 2024 for prices ranging from $230,000 to $250,000 or from $210.26 to $220.86 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of twelve comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2, #4, #5, #6, and #8, which sold less proximate in time to the assessment date and/or differ substantially from the subject in dwelling size and/or age.

The Board finds the best evidence of market value to be the appellant's comparables #3, #7, and #9 and the board of review's comparables, which sold more proximate in time to the assessment date and are more similar to the subject in dwelling size, age, location, site size, and most features. These most similar comparables sold for prices ranging from $195,000 to $250,000 or from $169.28 to $229.46 per square foot of living area, including land. The subject's assessment reflects a market value of $218,374 or $205.24 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
