FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Bob Ewens
DOCKET NO.: 25-00498.001-R-1
PARCEL NO.: 04-17-201-057

The parties of record before the Property Tax Appeal Board are Bob Ewens, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$10,891
IMPR.:	$107,335
TOTAL:	$118,226

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 2,306 square feet of living area. The dwelling is approximately 21 years old. Features of the home include a basement and a 528 square foot garage. The property has a 15,740 square foot site and is located in Winthrop Harbor, Benton Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on nine comparable sales located within the same assessment neighborhood code as the subject and from 0.56 of a mile to 2.09 miles from the subject. The parcels range from 8,124 to 40,010 square feet of land area that are improved with 1.5-story or 2-story homes ranging from 2,193 to 2,653 square feet of living area. The homes are 20 to 41 years old. Each home has a basement and a garage ranging from 483 to 851 square feet of building area. The comparables sold from March 2023 to May 2025 for prices ranging from $310,000 to

$400,000 or from $121.86 to $150.77 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $118,226. The subject's assessment reflects a market value of $354,713 or $153.82 per square foot of living area, land included, when using the statutory level of assessment of 33.33%. In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within the same assessment neighborhood code as the subject and from 0.10 of a mile to 1.10 miles from the subject. The parcels range from 12,750 to 17,859 square feet of land area and are improved with 2-story homes ranging from 1,850 to 2,618 square feet of living area. The homes are 19 to 34 years old. Each home has a basement, two with finished area, and a garage ranging from 528 to 1,230 square feet of building area. The comparables sold from July 2024 to March 2025 for prices ranging from $395,000 to $475,000 or from $169.98 to $213.51 per square foot of living area, including land. Based on this evidence the board of review requested the subject's assessment be sustained.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains twelve comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 through #5, #7, #8, and #9, which sold less proximate in time to the assessment date or are located less proximate in distance to the subject than the other sales in this record. The Board gives less weight to the board of review's comparable #2, due to substantial differences from the subject in dwelling size and garage size.

The Board finds the best evidence of market value to be the appellant's comparable #6 and the board of review's comparables #1 and #3, which sold more proximate in time to the assessment date and are more similar to the subject in dwelling size, age, location, site size, and some features, although one comparable has finished basement area unlike the subject, suggesting a downward adjustment for this feature would be needed. These most similar comparables sold for prices ranging from $349,900 to $475,000 or from $146.77 to $191.61 per square foot of living area, including land. The subject's assessment reflects a market value of $354,713 or $153.82 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering appropriate adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
