

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Brian Mull
DOCKET NO.: 25-00550.001-R-1
PARCEL NO.: 05-04-301-142

The parties of record before the Property Tax Appeal Board are Brian Mull, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$19,818
IMPR.: \$84,509
TOTAL: \$104,327

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story waterfront dwelling of frame exterior construction with 1,298 square feet of living area. The dwelling was built in 1964 and is 61 years old. Features of the home include a crawl-space foundation, central air conditioning, a fireplace, and a 528 square foot garage. The property has a 9,191 square foot site and is located in Fox Lake, Grant, Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 1.38 miles of the subject. The comparables consist of 1-story dwellings of frame or brick exterior construction containing either 1,047 or 1,050 square feet of living area. The homes range in age from 47 to 86 years old. Three dwellings have central air conditioning. The parcels range from 1,411 to 16,113 square feet of land area. The comparables sold from June 2024 to April 2025 for prices

ranging from \$129,800 to \$174,000 or from \$122.86 to \$165.71 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$73,546, for an estimated market value of \$220,660 or \$170.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$104,327. The subject's assessment reflects a market value of \$313,012 or \$241.15 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment the board of review submitted information on five comparable sales located within the subject's assessment neighborhood and within .34 of a mile of the subject. The comparables consist of 1-story dwellings of frame or brick exterior construction ranging from 1,232 to 1,400 square feet of living area. The dwellings were built from 1964 to 1983. Each dwelling has central air conditioning, two comparables each have a basement, three comparables each have one or two fireplaces, and four comparables each have a garage ranging from 432 to 528 square feet of building area. The parcels range in size from 7,780 to 10,398 square feet of land area. The comparables sold from July 2023 to February 2025 for prices ranging from \$329,000 to \$400,000 or from \$253.08 to \$292.21 per square foot of living area, including land. The board of review noted that the appellant's comparables #2 through #5 are condominiums, and thus dissimilar to the subject. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of ten comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the comparables submitted by the appellant, which differ from the subject in dwelling size and/or design. The Board also gives less weight to the board of review's comparables #4 and #5, which feature basement foundations and/or lack a garage unlike the subject. The Board finds the board of review's remaining comparables are similar to the subject in location, dwelling size, and features. These comparables sold from October 2023 to February 2025 for prices ranging from \$329,000 to \$339,000 or from \$253.08 to \$275.16 per square foot of living area, including land. The subject's assessment reflects a market value of \$313,012 or \$241.15 per square foot of living area, including land, which falls below the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences from the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
