

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Kaye
DOCKET NO.: 25-00589.001-R-1
PARCEL NO.: 06-08-307-074

The parties of record before the Property Tax Appeal Board are Robert Kaye, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$14,226
IMPR.: \$97,605
TOTAL: \$111,831

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood frame exterior construction with 1,874 square feet of living area. The dwelling was constructed in 2003 and is approximately 22 years old. Features of the home include a basement with finished area¹, central air conditioning, and a 400 square foot garage. The property has an approximately 7,841 square foot site and is located in Round Lake Heights, Lake Villa Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales, three of which are located within .36 of a mile of the subject property. The comparables have sites that range in size from 5,227 to 6,098 square feet of land area and are improved with 2-story dwellings of wood frame exterior

¹ The Board finds the best description of the subject's basement area was found in the property record card submitted by the board of review, not refuted by the appellant.

construction ranging in size from 1,683 to 1,848 square feet of living area. The dwellings range in age from 25 to 29 years old. Each comparable has central air conditioning and a garage with 400 or 462 square feet of building area. Three comparables have a basement and one comparable has a fireplace. The properties sold from July 2023 to March 2024 for prices ranging from \$275,000 to \$325,000 or from \$163.40 to \$179.43 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to \$106,183 which reflects a market value of \$318,581 or \$170.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$111,831. The subject's assessment reflects a market value of \$335,527 or \$179.04 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within .25 of a mile of the subject property. The comparables have sites that range in size from 4,356 to 7,841 square feet of land area and are improved with 2-story dwellings of wood siding exterior construction ranging in size from 1,768 to 1,920 square feet of living area. The homes are 23 or 24 years old. Each comparable has a basement, with three having finished area. Each comparable has a garage with 400 square feet of building area. Three comparables have central air conditioning. The properties sold from March 2024 to April 2025 for prices ranging from \$347,500 to \$355,000 or from \$184.90 to \$197.96 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1, #2 and #4 which sold less proximate to the assessment date of January 1, 2025. The Board also gives less weight to the board of review's comparable #1 due to its lack of central air conditioning, a feature of the subject.

The Board finds the best evidence of market value to be the appellant's comparable #3 and the board of review's comparables #2, #3 and #4 which are more similar to the subject in location, age and dwelling size, and sold proximate to the assessment date of January 1, 2025. These comparables sold from March 2024 to April 2025 for prices ranging from \$325,000 to \$355,000 or from \$175.87 to \$197.96 per square foot of living area, including land. The subject's assessment reflects a market value of \$335,527 or \$179.04 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the best comparables for differences from

the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
