

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alina Kolesnik
DOCKET NO.: 25-00600.001-R-1
PARCEL NO.: 06-16-323-001

The parties of record before the Property Tax Appeal Board are Alina Kolesnik, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,210
IMPR.: \$84,251
TOTAL: \$95,461

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of vinyl siding exterior construction with 1,132 square feet of living area. The dwelling was constructed in 1999 and is approximately 26 years old. Features of the home include a basement with finished area, central air conditioning, 2 baths and a 480 square foot garage. The property has a 5,955 square foot site and is located in Round Lake Beach, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located within .82 of a mile from the subject. The comparables have sites ranging in size from 4,848 to 8,416 square feet of land area that are improved with 1-story dwellings of wood frame exterior construction ranging in size from 1,080 to 1,274 square feet of living area. The dwellings are 39 to 48 years old and have basements. Two homes have central air conditioning and each comparable has 1 to 2 baths and a

garage with 480 or 520 square feet of building area. The comparables sold from April 2023 to July 2025 for prices ranging from \$250,000 to \$299,900 or from \$196.23 to \$277.69 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$95,461. The subject's assessment reflects a market value of \$286,412 or \$253.01 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales located .41 of a mile to 1.30 miles from the subject. The comparables have sites ranging in size from 6,181 to 9,135 that are improved with 1-story dwellings of vinyl siding or brick exterior construction ranging in size from 1,147 to 1,304 square feet of living area. The dwellings are reported to be 0 to 61 years old and have basements with finished area. Each comparable has central air conditioning, 2 or 3 baths and two comparables have a garage with 483 or 616 square feet of building area. The comparables sold from February to April 2025 for prices ranging from \$305,000 to \$345,000 or from \$253.07 to \$300.78 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales for the Board's consideration. The Board gives less weight to appellant's comparable sale #2 which sold in 2023, less proximate in time to the January 1, 2025, assessment date than the other comparables in the record. The Board gives less weight to the board of review comparables which are less similar to the subject in location, age, and/or dwelling size than the remaining comparables in the record.

The Board finds the best evidence of market value to be appellant's comparables #1 and #3 which sold proximate in time to the assessment date at issue and overall are more similar to the subject in location, age, dwelling size and some features. However, both comparables lack finished basement area and have less baths than the subject suggesting upward adjustments are necessary to make them more equivalent to the subject. The comparables sold in December 2024 and July 2025 for prices of \$270,000 and \$299,900 or for \$238.52 and \$277.69 per square foot of living area, including land. The subject's assessment reflects a market value of \$286,412 or \$253.01 per square foot of living area land included, which is bracketed by the best comparable sales in this record. After considering adjustments to the best comparables sales for differences from the subject, the Board finds the subject's estimated market value as reflected by the assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
