

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Barry Weitzenfeld
DOCKET NO.: 25-00601.001-R-1
PARCEL NO.: 06-16-332-038

The parties of record before the Property Tax Appeal Board are Barry Weitzenfeld, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,481
IMPR.: \$70,933
TOTAL: \$81,414

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a tri-level dwelling of vinyl siding exterior construction with 1,092 square feet of living area.¹ The dwelling was constructed in 1994 and is approximately 31 years old. Features of the home include a 576 square foot finished lower level, 2.5 baths and central air conditioning. The property has a 5,005 square foot site and is located in Round Lake Beach, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on nine comparable sales located from .40 of a mile to 1.65 miles from the subject. The comparables have sites ranging in size from 4,613 to 6,747 square feet of land area that are improved with 1-story dwellings of wood frame exterior construction

¹ The Board finds the best description of the subject property was found in the property record card submitted by the board of review.

ranging in size from 912 to 1,288 square feet of living area. The dwellings are 32 to 67 years old. Five homes have central air conditioning. Each home has 1 to 2 baths and two comparables each have a garage with 400 or 484 square feet of building area. The comparables sold from April February 2023 to November 2024 for prices ranging from \$195,000 to \$240,000 or from \$185.36 to \$224.78 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$81,414. The subject's assessment reflects a market value of \$244,266 or \$223.69 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located .26 of a mile to 1.43 miles from the subject. The comparables have sites ranging in size from 5,245 to 8,385 that are improved with 1-story dwellings of vinyl siding exterior construction ranging in size from 925 to 1,170 square feet of living area. The dwellings are reported to be 51 to 54 years old and have basements with finished area. Three comparables have central air conditioning, one of which has a fireplace. Each home has 1 to 3 baths and two comparables each have a garage with 720 or 1,020 square feet of building area. The comparables sold from May 2024 to April 2025 for prices ranging from \$258,000 to \$300,000 or from \$247.86 to \$284.09 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of 13 comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables which are not reported to have a finished basement/lower level that is a feature of the subject and/or sold in 2023, less proximate in time to the January 1, 2025, assessment date than the other comparables in the record.

The Board finds the best evidence of market value to be the board of review comparables which sold more proximate in time to the assessment date at issue and have finished basements/lower levels with varying degrees of similarity in location, age, dwelling size and/or features. The comparables sold from May 2024 to April 2025 for prices ranging from \$258,000 to \$300,000 or from \$247.86 to \$284.09 per square foot of living area, including land. The subject's assessment reflects a market value of \$244,266 or \$223.69 per square foot of living area land included, which is below the range established by the best comparable sales in this record. After considering adjustments to the best comparables sales for differences from the subject, the Board finds the subject's estimated market value as reflected by the assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
