

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jose Munoz
DOCKET NO.: 25-00603.001-R-1
PARCEL NO.: 06-17-306-005

The parties of record before the Property Tax Appeal Board are Jose Munoz, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,152
IMPR.: \$94,207
TOTAL: \$104,359

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a bi-level dwelling of vinyl siding exterior construction with 1,176 square feet of living area.¹ The dwelling was constructed in 1999 and is approximately 26 years old. Features of the home include a 1,100 square foot finished lower level, 2 baths, central air conditioning and a 440 square foot garage. The property has a 4,800 square foot site and is located in Round Lake Beach, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on six comparable sales located within .84 of a mile from the subject. The comparables have sites ranging in size from 4,722 to 9,134 square feet of land area that are improved with 1-story dwellings of wood frame exterior construction ranging in size

¹ The Board finds the best description of the subject property was found in the property record card submitted by the board of review.

from 996 to 1,304 square feet of living area. The dwellings are 27 to 54 years old. Three homes have central air conditioning. Each home has 1 or 2 baths and three comparables each have a garage ranging in size from 616 to 720 square feet of building area. The comparables sold from October 2023 to May 2025 for prices ranging from \$184,000 to \$330,000 or from \$156.46 to \$271.40 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$104,359. The subject's assessment reflects a market value of \$313,108 or \$266.25 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within .85 of a mile from the subject. The comparables have sites ranging in size from 5,445 to 9,191 that are improved with 1-story dwellings of vinyl or wood siding exterior construction ranging in size from 912 to 1,056 square feet of living area. The dwellings are 51 to 54 years old and have basements with finished area. Each home has central air conditioning and 1 to 2 baths. Two comparables have garages with 576 and 1,020 square feet of building area, respectively. The comparables sold from May 2024 to April 2025 for prices ranging from \$250,000 to \$300,000 or from \$274.12 to \$297.30 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales for the Board's consideration none of which are truly similar to the subject due to differences in age, dwelling size and/or features. Nevertheless, the Board gives less weight to appellant's comparable #1 which is an outlier as it sold significantly lower than the other comparables in the record and to appellant's comparable #3 which sold in 2023, less proximate in time to the January 1, 2025, assessment date than the other comparables in the record. The Board gives most weight to the parties' remaining comparables which sold from May 2024 to April 2025 for prices ranging from \$250,000 to \$330,000 or from \$247.86 to \$297.30 per square foot of living area, including land. The subject's assessment reflects a market value of \$313,108 or \$266.25 per square foot of living area land included, which is within the range established by the best comparable sales in this record. After considering necessary adjustments to the best comparables sales for differences from the subject, the Board finds the subject's estimated market value as reflected by the assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
