FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Arturo Ramirez
DOCKET NO.: 25-00605.001-R-1
PARCEL NO.: 06-17-335-029

The parties of record before the Property Tax Appeal Board are Arturo Ramirez, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$14,927
IMPR.:	$80,311
TOTAL:	$95,238

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a tri-level dwelling of vinyl siding exterior construction with 916 square feet of living area.[1] The dwelling was constructed in 2006 and is approximately 19 years old. Features of the home include an 832 square foot finished lower level, 2 baths, central air conditioning and a 380 square foot garage. The property has an 11,382 square foot site and is located in Round Lake Beach, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on nine comparable sales with the same assessment neighborhood code as the subject. The comparables have sites ranging in size from 4,613 to 8,089 square feet of land area that are improved with 1-story dwellings of wood frame exterior

construction ranging in size from 968 to 1,096 square feet of living area. The dwellings are 32 to 66 years old. Six homes have central air conditioning. Each home has 1 to 2 baths and two comparables each have a garage with 400 or 484 square feet of building area. The comparables sold from February to December 2023 for prices ranging from $195,000 to $230,000 or from $185.36 to $220.94 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $95,238. The subject's assessment reflects a market value of $285,743 or $311.95 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales with the same assessment neighborhood code as the subject. The comparables have sites ranging in size from 5,001 to 9,992 that are improved with 1-story dwellings of vinyl siding exterior construction ranging in size from 756 to 1,147 square feet of living area. The dwellings are reported to be 0 or 53 years old and have basements/lower levels with finished area. Two comparables have central air conditioning. Each home has 1.5 or 3 baths and two comparables each have a garage with 440 or 484 square feet of building area. The comparables sold from February 2024 to April 2025 for prices ranging from $239,000 to $345,000 or from $300.78 to $323.46 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of 12 comparable sales for the Board's consideration that have varying degrees of similarity to the subject in location, age, dwelling size and features. Nevertheless, the Board gives less weight to the appellant's comparable sales which sold in 2023, less proximate in time to the January 1, 2025, assessment date than the board of review comparables. Furthermore, the appellant's comparables are not reported to have finished basements/lower levels which is a feature of the subject.

The Board finds the best evidence of market value to be the board of review comparables which sold more proximate in time to the assessment date at issue. However, adjustments to these most recent comparable sales are necessary for differences in site size, age, dwelling size and/or features. The comparables sold from February 2024 to April 2025 for prices ranging from $239,000 to $345,000 or from $300.78 to $323.46 per square foot of living area, including land. The subject's assessment reflects a market value of $285,743 or $311.95 per square foot of living area land included, which is within the range established by the most recent comparable sales in this record. After considering adjustments to the best comparables sales for differences from the

subject, the Board finds the subject's estimated market value as reflected by the assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
