

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Masood Ahmed
DOCKET NO.: 25-00607.001-R-1
PARCEL NO.: 06-17-404-035

The parties of record before the Property Tax Appeal Board are Masood Ahmed, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,567
IMPR.: \$74,527
TOTAL: \$85,094

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a bi-level dwelling of vinyl siding exterior construction with 936 square feet of living area.¹ The dwelling was constructed in 1985 and is approximately 40 years old. Features of the home include a 936 square foot finished lower level, 2 baths, central air conditioning, and a 440 square foot garage. The property has a 5,149 square foot site and is located in Round Lake Beach, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on nine comparable sales located 0.48 of a mile to 1.36 miles from the subject property. The comparables have sites ranging in size from 4,792 to 8,385 square feet of land area that are improved with 1-story dwellings of wood frame exterior construction

¹ The Board finds the best description of the subject property was found in the property record card submitted by the board of review.

ranging in size from 768 to 996 square feet of living area. The dwellings are 51 to 54 years old. Each home has central air conditioning and 1 or 1.5 baths. One comparable has a fireplace and four comparables each have a garage ranging in size from 400 to 672 square feet of building area. The comparables sold from March 2023 to September 2025 for prices ranging from \$201,000 to \$286,500 or from \$221.62 to \$309.73 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$85,094. The subject's assessment reflects a market value of \$255,308 or \$272.76 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located .69 of a mile to 1.14 miles from the subject property. The comparables have sites ranging in size from 5,001 to 9,191 that are improved with 1-story dwellings of wood or vinyl siding exterior construction with 912 or 925 square feet of living area. The dwellings are 51 to 53 years old and have basements/lower levels with finished area. Three comparables have central air conditioning. One comparable has a fireplace and three comparables each have a garage ranging in size from 440 to 576 square feet of building area. The comparables sold from July 2024 to April 2025 for prices ranging from \$250,000 to \$295,000 or from \$274.12 to \$323.46 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of 13 comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables which lack basements/lower levels when compared to the subject. Furthermore, appellant's comparable sales #2, #4 and #5 sold in 2023, less proximate in time to the January 1, 2025, assessment date than the other comparables in the record.

The Board finds the best evidence of market value to be the board of review comparables which sold proximate in time to the assessment date at issue and have finished basements/lower levels. These comparables are also similar in age, dwelling size and some features. The comparables sold from July 2024 to April 2025 for prices ranging from \$250,000 to \$295,000 or from \$274.12 to \$323.46 per square foot of living area, including land. The subject's assessment reflects a market value of \$255,308 or \$272.76 per square foot of living area land included, which is within the range established by the best comparable sales in this record on overall market value and below the range on a price per square foot. After considering adjustments to the best comparables sales for differences from the subject, the Board finds the subject's

estimated market value as reflected by the assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
