

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Abelina Looez
DOCKET NO.: 25-00609.001-R-1
PARCEL NO.: 06-17-424-009

The parties of record before the Property Tax Appeal Board are Abelina Looez, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$10,481
IMPR.: \$69,667
TOTAL: \$80,148

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of wood siding exterior construction with 987 square feet of living area. The dwelling was constructed in 2016 and is approximately 9 years old. Features of the home include a full unfinished basement, central air conditioning, 1 bath and a 360 square foot garage. The property has a 5,005 square foot site and is located in Round Lake Beach, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on nine comparable sales located .14 of a mile to 1.33 miles from the subject. The comparables have sites ranging in size from 4,600 to 7,697 square feet of land area that are improved with 1-story dwellings of wood frame exterior construction ranging in size from 912 to 1,142 square feet of living area. The dwellings are 44 to 55 years old and have basements. Six homes have central air conditioning and each comparable has 1 to 3 baths.

One home has a fireplace and four comparables have garages ranging in size from 352 to 576 square feet of building area. The comparables sold from May 2023 to July 2025 for prices ranging from \$185,000 to \$263,000 or from \$170.75 to \$274.12 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$80,148. The subject's assessment reflects a market value of \$240,468 or \$243.64 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales located within .50 of a mile from the subject. The comparables have sites ranging in size from 5,000 to 10,036 that are improved with 1-story dwellings of vinyl or wood siding exterior construction with 906 or 975 square feet of living area. The dwellings are 52 to 80 years old and have basements with finished area. Each comparable has central air conditioning, 1 or 1.5 baths and a garage ranging in size from 440 to 576 square feet of building area. The comparables sold in March or June 2024 for prices ranging from \$234,000 to \$255,000 or from \$240.00 to \$275.94 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of 12 comparable sales for the Board's consideration. The Board finds neither party presented comparable sales that are truly similar to the subject due to differences in location, age, and features. Excluding appellant's comparable sales #3, #6 and #7 which sold in 2023, less proximate in time to the January 1, 2025, assessment date than the other comparables in the record, the Board finds the remaining comparables sold from March 2024 to July 2025 for prices ranging from \$185,000 to \$263,000 or from \$170.75 to \$275.94 per square foot of living area, including land. The subject's assessment reflects a market value of \$240,468 or \$243.64 per square foot of living area land included, which is within the range established by the most recent comparable sales in this record. After considering necessary adjustments to the most recent comparables sales for differences previously mentioned from the subject, the Board finds the subject's estimated market value as reflected by the assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
