FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Ranferi Salgado
DOCKET NO.: 25-00619.001-R-1
PARCEL NO.: 06-21-314-004

The parties of record before the Property Tax Appeal Board are Ranferi Salgado, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$11,560
IMPR.:	$92,861
TOTAL:	$104,421

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a tri-level dwelling of vinyl siding exterior construction with 1,205 square feet of living area.[1] The dwelling was constructed in 2001 and is approximately 24 years old. Features of the home include a 983 square foot finished lower level, 2 baths, central air conditioning and a 420 square foot garage. The property has a 6,355 square foot site and is located in Round Lake Park, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales with the same assessment neighborhood code as the subject and located within .62 of a mile from the subject. The comparables have sites ranging in size from 4,186 to 8,141 square feet of land area that are

improved with 1-story dwellings of wood frame exterior construction ranging in size from 1,056 to 1,112 square feet of living area. The dwellings are 19 to 49 years old. Each home has central air conditioning, 1 to 2 baths and a garage ranging in size from 420 to 598 square feet of building area. The comparables sold from October 2023 to July 2024 for prices ranging from $238,000 to $275,000 or from $225.38 to $250.46 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $104,421. The subject's assessment reflects a market value of $313,294 or $260.00 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales with the same assessment neighborhood code as the subject and located within .26 of a mile from the subject. The comparables have sites with 4,800 or 5,001 square feet of land area that are improved with 1-story dwellings of vinyl siding exterior construction ranging in size from 960 to 1,014 square feet of living area. The dwellings are 20 to 42 years old and have basements/lower levels with finished area. Each comparable has 1 or 2 baths. Two comparables have central air conditioning and a garage with 400 or 420 square feet of building area. The comparables sold from June 2023 to February 2024 for prices ranging from $277,500 to $285,000 or from $281.07 to $291.67 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of six comparable sales for the Board's consideration none of which are truly similar to the subject due to differences in age, dwelling size and/or features. In addition, four comparables sold over 1 year prior to the January 1, 2025, and are less likely reflective of market value as of that date. Nevertheless, the comparables sold from June 2023 to July 2024 for prices ranging from $238,000 to $285,000 or from $225.38 to $291.67 per square foot of living area, including land. The subject's assessment reflects a market value of $313,294 or $260.00 per square foot of living area land included, which is within the range established by the best comparable sales in this record on price per square foot but higher on overall market value. However, after considering adjustments to the best comparables sales for differences in age, dwelling size and features from the subject, the Board finds the subject's estimated market value as reflected by the assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
