FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Danielle Sliozis
DOCKET NO.: 25-00621.001-R-1
PARCEL NO.: 06-22-303-025

The parties of record before the Property Tax Appeal Board are Danielle Sliozis, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$26,187
IMPR.:	$137,724
TOTAL:	$163,911

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of vinyl siding exterior construction with 3,258 square feet of living area.[1] The dwelling was constructed in 1998 and is approximately 27 years old. Features of the home include a basement with finished area, 5 baths, central air conditioning and a 483 square foot garage. The property has a 10,171 square foot site and is located in Grayslake, Avon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on five comparable sales with the same assessment neighborhood code as the subject and located within .63 of a mile from the subject. The comparables have sites ranging in size from 8,511 to 12,454 square feet of land area that are

improved with 2-story dwellings of wood frame exterior construction ranging in size from 2,820 to 3,596 square feet of living area. The dwellings are 27 to 31 years old. Each home has central air conditioning, one fireplace, 2.5 or 4.5 baths and a garage ranging in size from 462 to 484 square feet of building area. The comparables sold from June 2023 to May 2025 for prices ranging from $360,125 to $520,000 or from $127.70 to $152.37 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $163,911. The subject's assessment reflects a market value of $491,782 or $150.95 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales with the same assessment neighborhood code as the subject and located within .63 of a mile from the subject. The comparables have sites ranging in size from 8,333 to 9,927 square feet of land area that are improved with 2-story dwellings of vinyl siding exterior construction with 2,522 or 2,592 square feet of living area. The dwellings are 28 to 31 years old and have basements with finished area. Each comparable has 3 or 3.5 baths, central air conditioning and a garage with 506 or 639 square feet of building area. Two comparables have a fireplace. The comparables sold from April to November 2024 for prices ranging from $430,000 to $481,100 or from $165.90 to $190.76 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of eight comparable sales for the Board's consideration. The Board gives less weight to appellant's comparables #1, #2 and #3 which sold less proximate in time to the January 1, 2025 assessment date than the other comparables in the record. The Board gives less weight to the board of review comparables which have significantly smaller dwelling sizes when compared to the subject.

The Board finds the best evidence of market value to be appellant's comparables #4 and #5 which sold more proximate in time to the assessment date at issue and are relatively similarly to the subject in location, age, dwelling size and some features. However, both comparables lack finished basement area and have fewer baths than the subject, suggesting upward adjustments are necessary to make them more equivalent to the subject. The comparables sold in March 2024 and May 2025 for prices of $469,000 and $520,000 or for $144.61 and $152.37 per square foot of living area, including land. The subject's assessment reflects a market value of $491,782 or $150.95 per square foot of living area land included, which is bracketed by the best comparables

in the record. After considering adjustments to the best comparables sales for differences from the subject, the Board finds the subject's estimated market value as reflected by the assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
