

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Mroz
DOCKET NO.: 25-00813.001-R-1
PARCEL NO.: 08-06-410-025

The parties of record before the Property Tax Appeal Board are Michael Mroz, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,672
IMPR.: \$104,363
TOTAL: \$114,035

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of wood siding exterior construction with 2,266 square feet of living area. The dwelling was constructed in 1960 and is approximately 65 years old. Features of the home include a concrete slab foundation and a detached garage with 1,100 square feet of building area.¹ The property has an approximately 16,266 square foot site and is located in Beach Park, Waukegan Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located in a different neighborhood code than the subject and from .28 of a mile to 1.02 miles from the subject property. The comparables have sites that range in size from 10,250 to 15,603 square feet of land area. The comparables are improved with 1-story dwellings of wood frame exterior construction ranging in

size from 1,882 to 2,026 square feet of living area. The comparables range in age from 68 to 74 years old. Each comparable has a basement and a garage with 440 or 528 square feet of building area. Two comparables each have central air conditioning and one comparable has a fireplace. The comparables sold from February 2023 to April 2025 for prices ranging from \$210,000 to \$300,000 or from \$108.14 to \$148.08 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$114,035. The subject's assessment reflects a market value of \$342,139 or \$150.99 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales, comparable sale #2 is the same property as the appellant's comparable sale #3. The comparables are located in a different assessment neighborhood than the subject and from .79 of a mile to 2.78 miles from the subject property. The comparables have sites ranging in size from 9,474 to 48,847 square feet of land area. The comparables are improved with 1-story dwellings of brick exterior construction ranging in size from 1,930 to 2,457 square feet of living area. The comparables range in age from 66 to 83 years old. Each comparable has a basement with finished area and central air conditioning. Three comparables each have either one or two fireplaces. Comparable #2, the common comparable, has a garage with 440 square feet of building area. The comparables sold from April 2023 to April 2025 for prices ranging from \$280,000 to \$390,000 or from \$145.08 to \$176.30 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales for the Board's consideration, with one comparable sale being common to both parties. The Board has given less weight to appellant's comparables #1 and #2 as well as board of review comparable #1 due to their remote sale dates occurring in 2023 which is less proximate in time to the January 1, 2025, assessment date given other sales available in the record.

The Board finds the best evidence of market value to be appellant's comparable sale #3 along with board of review comparable sales #2, #3 and #4, which includes the common comparable sale. The Board finds that these comparables sold more proximate to the January 1, 2025, assessment date and are similar to the subject in design, age and dwelling size with varying degrees of similarity to the subject in location, site size and other features. The comparables sold from February 2024 to April 2025 for prices ranging from \$280,000 to \$390,000 or from \$145.08 to \$158.73 per square foot of living area, including land. The subject's assessment

reflects a market value of \$342,139 or \$150.99 per square foot of living area, including land, falls within the range of the best comparable sales in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
