The parties of record before the Property Tax Appeal Board are James Vandervere Jr., the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

|---|---|
| **LAND:** | $10,989 |
| **IMPR.:** | $55,060 |
| **TOTAL:** | $66,049 |

Subject only to the State multiplier as applicable.

## Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

## Findings of Fact

The subject property consists of a 1-story dwelling of wood siding exterior construction with 768 square feet of living area.[1] The dwelling was constructed in 1955 and is approximately 70 years old. Features of the home include a basement and a garage with 484 square feet of building area. The property has an approximately 7,706 square foot site and is located in Waukegan, Waukegan Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on nine comparable sales located in the same assessment neighborhood code as the subject and from 0.0 of a mile to 1.22 miles from the subject property. The comparables have sites that range in size from 6,037 to 16,122 square feet of land area. The comparables are improved with 1-story dwellings of wood frame exterior construction ranging in

size from 768 to 878 square feet of living area. The comparables range in age from 71 to 73 years old. Each comparable has a basement. Seven comparables each have central air conditioning and seven comparables each have a garage ranging in size from 396 to 528 square feet of building area. The comparables sold from January 2024 to August 2025 for prices ranging from $128,000 to $195,500 or from $166.67 to $222.67 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $66,049. The subject's assessment reflects a market value of $198,167 or $258.03 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales. The comparables are located in the same assessment neighborhood code as the subject and from .10 of a mile to 1.21 miles from the subject property. The comparables have sites that range in size from 6,250 to 15,075 square feet of land area. The comparables are improved with 1-story dwellings of wood siding exterior construction each containing 768 square feet of living area. The comparables are 70 or 71 years old. Each comparable has a basement, central air conditioning and a garage ranging in size from 484 to 576 square feet of building area. The comparables sold in March or May 2025 for prices ranging from $190,000 to $235,000 or from $247.40 to $305.99 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

## Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 13 comparable sales for the Board's consideration. The Board has given less weight to appellant's comparables #1, #4 and #9 as well as board of review comparable #4, due to their differences from the subject in lot size and/or their distance of over one mile away from the subject property.

The Board finds the best evidence of market value to be appellant's comparable sales #2, #3, #5, #6, #7 and #8 along with board of review comparable sales #1, #2 and #3. The Board finds that these comparables are most similar to the subject in location, age, dwelling size and some features. However, each comparable has central air conditioning, unlike the subject suggesting downward adjustments would be required to make these comparables more equivalent to the subject. Nevertheless, the comparables sold from January 2024 to May 2025 for prices ranging from $141,000 to $225,000 or from $167.82 to $292.97 per square foot of living area, including land. The subject's assessment reflects a market value of $198,167 or $258.03 per square foot of living area, including land which falls within the range of the best comparable sales in this

record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
