

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joseph Scarpello
DOCKET NO.: 25-00836.001-R-1
PARCEL NO.: 08-09-106-034

The parties of record before the Property Tax Appeal Board are Joseph Scarpello, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$20,208
IMPR.: \$93,506
TOTAL: \$113,714

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 2,337 square feet of living area.¹ The dwelling was constructed in 1958 and is approximately 67 years old. Features of the home include a basement, central air conditioning, a fireplace and garage with 308 square feet of building area. The property has an approximately 10,628 square foot site and is located in Waukegan, Waukegan Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located in the same assessment neighborhood code as the subject and within .34 of a mile from the subject property. The comparables have sites that range in size from 6,586 to 32,910 square feet of land area. The comparables are improved with 1-story dwellings of wood frame exterior construction ranging in

size from 1,889 to 2,457 square feet of living area. The comparables are 67 or 69 years old. Each comparable has a basement, one fireplace and a garage ranging in size from 529 to 552 square feet of building area. Two comparables each have central air conditioning. The comparables sold from March 2023 to February 2024 for prices ranging from \$265,000 to \$390,000 or from \$122.63 to \$158.73 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$113,714. The subject's assessment reflects a market value of \$341,176 or \$145.99 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales. The board of review comparable #1 is the same property as the appellant's comparable #2. The comparables are located from .30 of a mile to 1.22 miles from the subject property with one comparable being located in the same assessment neighborhood code than the subject. The comparables have sites that range in size from 10,251 to 48,847 square feet of land area. The comparables are improved with 1-story dwellings of brick exterior construction ranging in size from 2,026 to 2,457 square feet of living area. The comparables range in age from 66 to 83 years old. Each comparable has a basement, central air conditioning² and a garage ranging in size from 440 to 720 square feet of building area. Two comparables each two fireplaces. The comparables sold from April 2023 to April 2025 for prices ranging from \$300,000 to \$390,000 or from \$148.08 to \$176.30 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of five comparable sales for the Board's consideration, with one comparable being common to both parties. The Board has given less weight to appellant's comparable #3 due to its smaller dwelling size when compared to the subject. The Board has given reduced weight to board of review comparables #2 and #3 due to their distance of over one mile away from the subject.

The Board finds the best evidence of market value to be appellant's comparable sales #1 and #2 along with board of review comparable sale #1, which includes the common comparable. The Board finds that these two comparables are most similar to the subject in location, age, dwelling size and some features. However, the common comparable has a larger site size, suggesting a

downward adjustment would be required to make this comparable more equivalent to the subject. Nevertheless, the two comparables sold in October 2023 and February 2024 for prices of \$297,000 and \$390,000 or \$122.63 and \$158.73 per square foot of living area, including land. The subject's assessment reflects a market value of \$341,176 or \$145.99 per square foot of living area, including land which is bracketed by the two best comparable sales in this record. Based on this record and after considering adjustments to the two best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
