FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Ricky Montano
DOCKET NO.: 25-00843.001-R-1
PARCEL NO.: 08-19-215-007

The parties of record before the Property Tax Appeal Board are Ricky Montano, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***A Reduction*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$16,839
IMPR.:	$71,464
TOTAL:	$88,303

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 1,527 square feet of living area.[1] The dwelling was constructed in 1965 and is approximately 60 years old. Features of the home include a basement, central air conditioning, a fireplace and garage with 546 square feet of building area. The property has an approximately 10,440 square foot site and is located in Waukegan, Waukegan Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on nine comparable sales located in the same assessment neighborhood code as the subject and within .64 of a mile from the subject property. The comparables have sites that range in size from 5,937 to 11,103 square feet of land area. The comparables are improved with 1-story dwellings of wood frame exterior construction ranging in

size from 1,255 to 1,808 square feet of living area. The comparables range in age from 57 to 97 years old. Each comparable has a basement and a garage ranging in size from 280 to 576 square feet of building area. Six comparables each have central air conditioning and six comparables each have one fireplace. The comparables sold from November 2023 to October 2024 for prices ranging from $160,000 to $280,000 or from $127.49 to $171.31 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $91,611. The subject's assessment reflects a market value of $274,860 or $180.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales. The comparables are located in the same assessment neighborhood code as the subject and within .85 of a mile from the subject property. The comparables have sites that range in size from 6,158 to 10,282 square feet of land area. The comparables are improved with 1-story dwellings of brick or wood siding exterior construction ranging in size from 1,260 to 1,900 square feet of living area. The comparables range in age from 49 to 90 years old. Each comparable has a basement and a garage ranging in size from 308 to 440 square foot of building area. Two comparables each have central air conditioning and three comparables each have one fireplace. The comparables sold from January to October 2025 for prices ranging from $249,000 to $344,900 or from $181.53 to $208.66 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of 13 comparable sales for the Board's consideration. The Board has given less weight to appellant's comparables #1, #3, #4 and #9 as well as the board of review comparables due to their differences from the subject in age, dwelling size and/or central air conditioning amenity. The Board has given reduced weight to appellant's comparables #2 and #5 due to their remote sale dates occurring in 2023 which is less proximate in time to the January 1, 2025, assessment date given other sales available in the record.

The Board finds the best evidence of market value to be appellant's comparable sales #6, #7 and #8. The Board finds that these comparables sold more proximate to the January 1, 2025, assessment date and are most similar to the subject in location, design, dwelling size, age and features. The comparables sold from March to September 2024 for prices ranging from $216,000 to $245,000 or from $147.06 to $156.30 per square foot of living area, including land. The subject's assessment reflects a market value of $274,860 or $180.00 per square foot of living

area, including land which falls above the range of the best comparable sales in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
