FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Stephen Crawford
DOCKET NO.: 25-00846.001-R-1
PARCEL NO.: 08-21-302-054

The parties of record before the Property Tax Appeal Board are Stephen Crawford, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$13,126
IMPR.:	$74,673
TOTAL:	$87,799

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 2,168 square feet of living area.[1] The dwelling was constructed in 1901 and is approximately 124 years old. Features of the home include a basement and garage with 400 square feet of building area. The property has an approximately 7,920 square foot site and is located in Waukegan, Waukegan Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located in the same assessment neighborhood code than the subject and within .24 of a mile from the subject property. The comparables have sites that range in size from 4,944 to 7,096 square feet of land area. The comparables are improved with 2-story dwellings of wood frame exterior construction ranging in

size from 1,930 to 2,310 square feet of living area. The comparables are each 125 years old. Two comparables each have a basement and two comparables each have a garage with 280 or 480 square feet of building area. The comparables sold in November 2023 and December 2024 for prices ranging from $135,000 to $215,000 or from $62.77 to $111.40 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $87,799. The subject's assessment reflects a market value of $263,423 or $121.51 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales. The comparables are located in the same assessment neighborhood code than the subject and within .40 of a mile from the subject property. The comparables have sites that range in size from 6,040 to 9,210 square feet of land area. The comparables are improved with 1.5-story or 2-story dwellings of brick or wood siding exterior construction ranging in size from 1,638 to 2,274 square feet of living area. The comparables are 96 or 98 years old. Each comparable has a basement and a garage ranging in size from 252 to 520 square feet of building area. Two comparables each have one fireplace. The comparables sold in December 2024 and January 2025 for prices ranging from $247,900 to $330,000 or from $121.83 to $151.34 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales for the Board's consideration. The Board has given less weight to appellant's comparables #1 and #2 as well as board of review comparable #3 due to their differences from the subject in dwelling size, lack of garage and/or basement amenity.

The Board finds the best evidence of market value to be appellant's comparable sale #3 along with board of review comparable sales #1 and #2. The Board finds that these comparables are most similar to the subject in location, design, dwelling size and some features. However, the board of review comparables are newer in dwelling age, suggesting downward adjustments would be required to make these comparables more equivalent to the subject. Nevertheless, the comparables sold from November 2023 to January 2025 for prices ranging from $215,000 to $330,000 or from $111.40 to $145.12 per square foot of living area, including land. The subject's assessment reflects a market value of $263,423 or $121.51 per square foot of living area, including land which falls within the range of the best comparable sales in this record. Based on

this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
