

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dale Schlottmann  
DOCKET NO.: 25-00941.001-R-1  
PARCEL NO.: 13-15-301-011

The parties of record before the Property Tax Appeal Board are Dale Schlottmann, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$54,218  
**IMPR.:** \$297,541  
**TOTAL:** \$351,759

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 2-story dwelling of frame exterior construction with 3,855 square feet of living area. The dwelling was built in 2019 and is 6 years old. Features of the home include a basement, central air conditioning, two fireplaces, and a 1,143 square foot garage. The property has a 102,235 square foot site and is located in Lake Barrington, Cuba Township, Lake County.

The appellant contends assessment inequity with regard to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the subject's assessment neighborhood and within .3 of a mile of the subject. The comparables consist of 2-story dwellings of brick or frame and brick exterior construction ranging in size from 3,871 to 4,416 square feet of living area. The homes range in age from 8 to 11 years old. Each dwelling has central air conditioning, a fireplace, a basement,

and a garage ranging from 790 to 912 square feet of building area. The comparables have improvement assessments ranging from \$277,597 to \$314,110 or from \$68.24 to \$71.71 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$271,825 or \$70.51 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$351,759. The subject property has an improvement assessment of \$297,541 or \$77.18 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables located within the subject's assessment neighborhood and within .28 of a mile of the subject. The comparables consist of 2-story dwellings of frame and brick exterior construction ranging from 3,596 to 4,102 square feet of living area. The homes were built in 2015 or 2024. Each dwelling has a basement, central air conditioning, and a garage ranging from 905 to 1,403 square feet of building area. Two comparables each have one or two fireplaces and two comparables each have an inground swimming pool. The comparables have improvement assessments ranging from \$268,583 to \$328,656 or from \$72.78 to \$80.12 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven equity comparables to support their respective positions before the Property Tax Appeal Board. The Board has given reduced weight to the board of review's comparables #2 and #3, which feature inground swimming pools unlike the subject. The Board finds the parties' remaining comparables are similar to the subject in age, location, dwelling size, and features. These comparables have improvement assessments ranging from \$268,583 to \$314,110 or from \$68.24 to \$74.69 per square foot of living area. The subject's improvement assessment of \$297,541 or \$77.18 per square foot of living area falls within the range established by the best comparables in this record overall and slightly above the range on a per-square-foot basis. Based on this record and after considering adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
