

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Pratibha Katyal
DOCKET NO.: 25-00946.001-R-2
PARCEL NO.: 15-26-302-009

The parties of record before the Property Tax Appeal Board are Pratibha Katyal, the appellant, by attorney Andrew J. Rukavina, of The Tax Appeal Company in Mundelein; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$54,937
IMPR.: \$417,447
TOTAL: \$472,384

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a part one-story and part two-story dwelling of brick exterior construction with 6,667 square feet of living area.¹ The dwelling was constructed in 1995. Features of the home include a concrete slab foundation, central air conditioning, a fireplace, and a 1,112 square foot garage. The property has a 43,560 square foot site and is located in Riverwoods, Vernon Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .97 of a mile of the subject, two of which are within the subject's assessment neighborhood. The comparables consist of one-story or two-story dwellings of frame or brick and frame exterior construction

¹ The Board finds the property characteristic sheet submitted by the board of review, which was not refuted by the appellant, to be the best evidence of the subject's design.

ranging in size from 5,285 to 7,964 square feet of living area. The homes were built from 1977 to 1990. Each dwelling has central air conditioning, one to eight fireplaces, and a garage ranging in size from 420 to 804 square feet of building area. One comparable has a full basement. The parcels range in size from .99 to 3.75 acres. The comparables sold from November 2022 to February 2025 for prices ranging from \$865,000 to \$928,000 or from \$109.87 to \$165.54 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$292,934, for an estimated market value of \$878,890 or \$131.83 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$472,384. The subject's assessment reflects a market value of \$1,417,294 or \$212.58 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located from .17 of a mile to 1.75 miles from the subject, one of which is within the subject's assessment neighborhood. The comparables consist of two-story dwellings of frame exterior construction ranging in size from 3,674 to 6,306 square feet of living area. The dwellings were built from 1980 to 1999. Each dwelling has central air conditioning, one to three fireplaces, and a garage ranging in size from 881 to 1,233 square feet of building area. Two comparables each have a basement. The parcels range in size from 21,007 to 42,689 square feet of land area. The comparables sold from July 2023 to August 2025 for prices ranging from \$886,000 to \$1,575,000 or from \$241.15 to \$249.76 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

In rebuttal, the appellant argued that the comparables submitted by the board of review differ from the subject in location, dwelling size, and/or features.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparable #1 and the board of review's comparable #1, which sold less proximate to the assessment date at issue. The Board finds the parties' remaining comparables sold proximate to the assessment date and have varying degrees of similarity to the subject in age, location, dwelling size, and features. These comparables sold from May 2024 to August 2025 for prices ranging from \$865,000 to \$1,575,000 or from \$109.87 to \$249.76 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,417,294 or \$212.58 per

square foot of living area, including land, which falls within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
