

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Leonard Bass Trust
DOCKET NO.: 25-01060.001-R-1
PARCEL NO.: 16-23-418-020

The parties of record before the Property Tax Appeal Board are Leonard Bass Trust, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$130,687
IMPR.: \$141,721
TOTAL: \$272,408

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1¾-story dwelling of wood siding exterior construction with 2,170 square feet of living area. The dwelling was constructed in 1936 and is approximately 89 years old. Features of the home include a basement, a fireplace and a 528 square foot garage. The property has an approximately 16,250 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity, with respect to the improvement assessment, as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located in the same assessment neighborhood code and within .76 of a mile of the subject. The comparables are improved with 1¾-story, 2-story, 2½-story, or 3-story dwellings of brick or wood siding exterior construction ranging in size from 1,905 to 2,615 square feet of living area. The homes range in age from 89 to 114 years old. Each comparable

has a basement, with two having finished area. Each comparable has a fireplace and a garage with 528 or 560 square feet of building area. Three comparables have central air conditioning. The comparables have improvement assessments ranging from \$118,294 to \$152,952 or from \$56.44 to \$62.10 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$128,062 or \$59.01 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$272,408. The subject has an improvement assessment of \$141,721 or \$65.31 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same assessment neighborhood code and within .59 of a mile of the subject property. The comparables are improved with 2-story dwellings of brick or wood siding exterior construction ranging in size from 1,927 to 2,236 square feet of living area. The homes range in age from 76 to 103 years old. Each comparable has a basement, central air conditioning, a fireplace and a garage ranging in size from 220 to 360 square feet of building area. The comparables have improvement assessments ranging from \$126,578 to \$157,159 or from \$65.69 to \$70.29 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables which are less similar to the subject in design, age, dwelling size, and/or basement finished area, a feature the subject lacks.

The Board finds the best evidence of assessment equity to be the board of review's comparables which are more similar to the subject in location, age, design, dwelling size and other features. However, each of these properties has central air conditioning when compared to the subject suggesting a downward adjustment is needed to make these properties more equivalent to the subject. These comparables have improvement assessments that range from \$126,578 to \$157,159 or from \$65.69 to \$70.29 per square foot of living area. The subject's improvement assessment of \$141,721 or \$65.31 per square foot of living area falls within the range established by the best comparables in this record on an overall improvement assessment basis and below the range on a per square foot basis. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate

with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
