

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Joel & Lauren Bennett
DOCKET NO.: 25-01061.001-R-1
PARCEL NO.: 16-26-102-052

The parties of record before the Property Tax Appeal Board are Joel & Lauren Bennett, the appellants, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$91,211
IMPR.: \$195,702
TOTAL: \$286,913

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellants timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of stone and wood siding exterior construction with 3,231 square feet of living area. The dwelling was constructed in 1940 and is approximately 85 years old. Features of the home include a basement with finished area, central air conditioning, two fireplaces and a 420 square foot garage. The property has an approximately 17,390 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellants contend assessment inequity, with respect to the improvement assessment, as the basis of the appeal. In support of this argument, the appellants submitted information on four equity comparables located in the same assessment neighborhood code and within .92 of a mile of the subject. The comparables are improved with 2-story dwellings of stucco, brick or brick and wood siding exterior construction ranging in size from 3,208 to 3,555 square feet of living

area. The homes range in age from 58 to 61 years old. Each comparable has a basement, with three having finished area. Each comparable has central air conditioning, a fireplace and a garage with 462 or 465 square feet of building area. The comparables have improvement assessments ranging from \$164,396 to \$199,721 or from \$49.21 to \$56.18 per square foot of living area. Based on this evidence, the appellants requested the subject's improvement assessment be reduced to \$171,905 or \$53.20 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$286,913. The subject has an improvement assessment of \$195,702 or \$60.57 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same assessment neighborhood code and within .75 of a mile of the subject property. The comparables are improved with 1½-story or 2-story dwellings of brick exterior construction ranging in size from 3,234 to 3,317 square feet of living area. The homes range in age from 45 to 61 years old. Each comparable has a basement, with two having finished area. Each comparable has central air conditioning, a fireplace and a garage ranging in size from 468 to 528 square feet of building area. The comparables have improvement assessments ranging from \$193,764 to \$199,611 or from \$59.15 to \$60.56 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellants contend assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellants did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight equity comparables for the Board's consideration. The Board gives less weight to the appellants' comparable #2 and the board of review's comparables #2, #3 and #4 which are less similar to the subject in basement finished area, age and/or design.

The Board finds the best evidence of assessment equity to be the appellants' comparables #1, #3 and #4 and the board of review's comparable #1 which are more similar to the subject in location, age, design, dwelling size and other features. These comparables have improvement assessments that range from \$164,396 to \$199,721 or from \$49.21 to \$59.91 per square foot of living area. The subject's improvement assessment of \$195,702 or \$60.57 per square foot of living area falls within the range established by the best comparables in this record on an overall improvement assessment basis and above the range on a per square foot basis. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellants did not demonstrate with clear and convincing evidence that the subject's

improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
