FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Shahnawaz Ahmed
DOCKET NO.: 25-01120.001-R-1
PARCEL NO.: 10-34-307-007

The parties of record before the Property Tax Appeal Board are Shahnawaz Ahmed, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***A Reduction*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$38,086
IMPR.:	$237,397
TOTAL:	$275,483

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood frame exterior construction with 4,217 square feet of living area. The dwelling was constructed in 2018 and is approximately 7 years old. Features of the home include a basement, central air conditioning, a fireplace and a 784 square foot garage. The property has an approximately 40,040 square foot site and is located in Hawthorn Woods, Fremont Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within .22 of a mile of the subject property. The comparables have sites that range in size from 39,213 to 40,188 square feet of land area and are improved with 2-story dwellings of wood frame exterior construction ranging in size from 3,786 to 4,778 square feet of living area. The dwellings range in age from 8 to 18 years old. Each comparable has a basement, central air conditioning, a fireplace and a

garage ranging in size from 841 to 935 square feet of building area. The properties sold from June 2023 to March 2025 for prices ranging from $775,000 to $900,000 or from $188.36 to $206.02 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to $275,483 which reflects a market value of $826,532 or $196.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $286,642. The subject's assessment reflects a market value of $860,012 or $203.94 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment the board of review submitted information on two comparable sales, with comparable #1 and comparable #2 being the same as the appellant's comparables #3 and #2, respectively, and have been described above. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted three comparable sales for the Board's consideration with two common comparables between both parties. The Board gives less weight to the appellant's comparable #1 which sold less proximate to the assessment date of January 1, 2025 than other properties in the record.

The Board finds the best evidence of market value to be the appellant's comparables #2 and #3 and the board of review's comparables, which include the common comparables, which sold proximate to the assessment date of January 1, 2025. These comparables sold in December 2024 and March 2025 for prices of $775,000 and $780,000 or $198.57 and $206.02 per square foot of living area, including land. The subject's assessment reflects a market value of $860,012 or $203.94 per square foot of living area, including land, which falls above the two best comparable sales in this record on an overall improvement assessment basis and within the two best comparables on a price per square foot basis. After considering appropriate adjustments to the two best comparables for differences from the subject, the Board finds the subject's assessment is not justified and a reduction in the subject's assessment, commensurate with the appellant's request, is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
