FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Roman Forowycz
DOCKET NO.: 25-01138.001-R-1
PARCEL NO.: 16-08-213-013

The parties of record before the Property Tax Appeal Board are Roman Forowycz, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$101,826
IMPR.:	$173,070
TOTAL:	$274,896

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood frame exterior construction with 2,814 square feet of living area. The dwelling was constructed in 1991 and is approximately 34 years old. Features of the home include a basement with finished area[1], central air conditioning, a fireplace and a 512 square foot garage. The property has an approximately 15,002 square foot site and is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .22 of a mile of the subject property. The comparables have sites that range in size from 13,399 to 19,001 square feet of land area and are improved with 2-story dwellings of wood frame exterior construction

[1] The Board finds the best description of the subject's basement was found in the property record card submitted by the board of review, not refuted by the appellant.

ranging in size from 2,608 to 3,350 square feet of living area. The dwellings range in age from 41 to 50 years old. Each comparable has a basement, central air conditioning, a fireplace and a garage ranging in size from 462 to 798 square feet of building area. The properties sold from February 2023 to May 2025 for prices ranging from $739,000 to $915,000 or from $243.33 to $283.36 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to $248,545 which reflects a market value of $745,710 or $265.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $274,896. The subject's assessment reflects a market value of $824,770 or $293.10 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within .32 of a mile of the subject property. The comparables have sites that range in size from 13,400 to 16,700 square feet of land area and are improved with 2-story dwellings of wood siding, vinyl siding or brick exterior construction ranging in size from 2,192 to 3,567 square feet of living area. The homes range in age from 39 to 41 years old. Each comparable has a basement, with two having finished area. Each comparable has central air conditioning, a fireplace and a garage ranging in size from 483 to 613 square feet of building area. The properties sold from April 2023 to November 2024 for prices ranging from $667,500 to $1,070,000 or from $299.97 to $339.49 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 and #3 and the board of review's comparables which are less similar to the subject in dwelling size and/or sold less proximate to the January 1, 2025 assessment date.

The Board finds the best evidence of market value to be the appellant's comparables #2 and #4 which are more similar to the subject in location, age, and sold proximate to the January 1, 2025 assessment date. These comparables sold in January 2024 and May 2025 for prices of $815,000 and $915,000 or $248.55 and $273.13 per square foot of living area, including land. The subject's assessment reflects a market value of $824,770 or $293.10 per square foot of living area, including land, which is bracketed by the two best comparable sales in this record on a market value basis and above the range on a per square foot basis, which is logical given the subject's smaller dwelling size relative to the two best comparables. After considering

appropriate adjustments to the two best comparables for differences from the subject, the Board finds the subject’s assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
