

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Lois Romano
DOCKET NO.: 25-01163.001-R-1
PARCEL NO.: 16-28-410-006

The parties of record before the Property Tax Appeal Board are Lois Romano, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$37,382
IMPR.: \$244,915
TOTAL: \$282,297

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick and frame exterior construction with 2,278 square feet of living area.¹ The dwelling was constructed in 1988 and is 37 years old. The home was remodeled in 2017 giving it an effective age of 2007. Features of the home include a basement, central air conditioning, a fireplace, and a 506 square foot garage. The property has a 3,750 square foot site and is located in Highland Park, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located from .91 of a mile to 2.38 miles from the subject. The comparables consist of one-story dwellings of frame exterior

¹ The Board finds the property record card submitted by the board of review, which was not refuted by the appellant, to be the best evidence of the subject's age and features.

construction ranging in size from 2,230 to 2,704 square feet of living area. The homes are 54 to 85 years old. Each dwelling has a basement, and a garage ranging in size from 462 to 550 square feet of building area. Two comparables each have a fireplace. Three parcels range in size from 12,223 to 38,442 square feet of land area. The comparables sold from May 2023 to November 2024 for prices ranging from \$518,000 to \$801,000 or from \$192.35 to \$311.66 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$189,055, for an estimated market value of \$567,222 or \$249.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$282,297. The subject's assessment reflects a market value of \$846,976 or \$371.81 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment the board of review submitted information on two comparable sales located within .92 of a mile of the subject. The comparables consist of one-story dwellings of brick exterior construction containing 2,081 or 2,515 square feet of living area. The dwellings are each 67 years old. Each dwelling has a basement, central air conditioning, and two fireplaces. The parcels contain 10,184 and 30,000 square feet of land area. The comparables sold in January and February 2025 for prices of \$920,000 and \$1,000,000 or \$365.81 and \$480.54 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #1, #2, and #4, which sold less proximate to the assessment date at issue. The Board finds the parties' three remaining comparables sold proximate to the assessment date and are similar to the subject in location, dwelling size, and some features, noting the board of review's comparables each lack a garage suggesting upward adjustments would be necessary to make these comparables more equivalent to the subject. These most similar comparables sold from November 2024 to February 2025 for prices ranging from \$801,000 to \$1,000,000 or from \$299.78 to \$480.54 per square foot of living area, including land. The subject's assessment reflects a market value of \$846,976 or \$371.81 per square foot of living area, including land, which is within the range established by the best comparable sales in this record and appears supported given not only the subject's newer chronological age, but its much newer effective age relative to the comparables. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
