FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: John Mcavoy
DOCKET NO.: 25-01171.001-R-1
PARCEL NO.: 16-29-323-003

The parties of record before the Property Tax Appeal Board are John Mcavoy, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$47,555
IMPR.:	$161,532
TOTAL:	$209,087

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 2,472 square feet of living area.[1] The dwelling was constructed in 1940 and is 85 years old.[2] Features of the home include a basement, central air conditioning, a fireplace, and a 400 square foot garage. The property has a 9,100 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within the subject's

[1] The Board finds the property record card submitted by the board of review, which was not refuted by the appellant, to be the best evidence of the subject's features.
[2] The property record card also indicates that the subject was remodeled in 2014, resulting in an effective age of 1992.

assessment neighborhood and within .3 of a mile of the subject. The comparables consist of 1.75-story or 2-story dwellings of frame exterior construction ranging in size from 2,154 to 2,518 square feet of living area. The homes are 68 to 89 years old. Each dwelling has a basement, central air conditioning, a fireplace, and a garage ranging in size from 322 to 550 square feet of building area. The parcels range in size from 11,069 to 17,999 square feet of land area. The comparables sold from June 2023 to January 2024 for prices of $530,000 or $615,000 or from $241.02 to $246.05 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of $172,199, for an estimated market value of $516,649 or $209.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $209,087. The subject's assessment reflects a market value of $627,324 or $253.77 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within the subject's assessment neighborhood and within .74 of a mile of the subject. The comparables consist of 1.75-story or 2-story dwellings of brick or frame exterior construction ranging in size from 1,911 to 3,311 square feet of living area. The dwellings are 60 to 75 years old. Each dwelling has a basement, central air conditioning, and a garage ranging in size from 440 to 861 square feet of building area. Three comparables each have one or three fireplaces. Three parcels range in size from 8,601 to 45,000 square feet of land area. The comparables sold from May 2024 to January 2026 for prices ranging from $525,000 to $1,050,000 or from $272.73 to $317.12 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the comparables submitted by the board of review, which differ from the subject in dwelling and/or site size. The Board finds the comparables presented by the appellant sold are similar to the subject in location, dwelling size, and features. These most similar comparables sold for prices of $530,000 or $615,000 or from $241.02 to $246.05 per square foot of living area, including land. The subject's assessment reflects a market value of $627,324 or $253.77 per square foot of living area, including land, which is above the best comparable sales in this record. However, the Board finds the subject's higher assessment logical given the subject's newer effective age in relation to the comparables. Based on this evidence and after considering adjustments to the best

comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
