

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Shelly Cohn
DOCKET NO.: 25-01174.001-R-1
PARCEL NO.: 16-31-205-003

The parties of record before the Property Tax Appeal Board are Shelly Cohn, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$68,017
IMPR.: \$296,976
TOTAL: \$364,993

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and frame exterior construction with 3,099 square feet of living area. The dwelling was constructed in 2016 and is 9 years old. Features of the home include a full basement with finished area, central air conditioning, two fireplaces, and a 506 square foot garage. The property has a 12,126 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on nine comparable sales located within the subject's assessment neighborhood and within 1.58 miles of the subject. The comparables consist of two-story dwellings of frame exterior construction ranging in size from 2,560 to 3,604 square feet of living area. The homes are 19 to 63 years old. Each dwelling has a basement, central air conditioning, a fireplace, and a garage ranging in size from 400 to 506 square feet of building

area. Seven parcels range in size from 7,318 to 12,963 square feet of land area. The comparables sold from April 2024 to June 2025 for prices ranging from \$625,000 to \$1,045,000 or from \$222.02 to \$331.28 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$304,705, for an estimated market value of \$914,206 or \$295.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$364,993. The subject's assessment reflects a market value of \$1,095,089 or \$353.37 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within the subject's assessment neighborhood and within 1.01 miles of the subject. The comparables consist of two-story dwellings of wood siding, brick, or stone exterior construction ranging in size from 2,642 to 3,540 square feet of living area. The dwellings are 3 to 19 years old. Each dwelling has a full basement with finished area, central air conditioning, and a garage ranging in size from 420 to 510 square feet of building area. Two comparables each have a fireplace. The parcels range in size from 8,250 to 10,494 square feet of land area. The comparables sold from August 2024 to May 2025 for prices ranging from \$980,000 to \$1,280,000 or from \$361.58 to \$397.08 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of 12 comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the comparables submitted by the appellant, as well as the board of review's comparable #1, which differ from the subject in age and basement finish. The Board finds the two remaining comparables presented by the board of review sold proximate to the assessment date, bracket the subject in dwelling size, and are similar to the subject in age, location, and features. These two most similar comparables sold in August and December 2024 for prices of \$980,000 and \$1,280,000 or for \$361.58 and \$370.93 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,095,089 or \$353.37 per square foot of living area, including land, which is bracketed by the two best comparable sales in this record overall and below the two best comparables on a per-square-foot basis. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
