FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: David Levin
DOCKET NO.: 25-01176.001-R-1
PARCEL NO.: 16-31-401-006

The parties of record before the Property Tax Appeal Board are David Levin, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$61,546
IMPR.:	$145,839
TOTAL:	$207,385

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of brick and frame exterior construction with 2,350 square feet of living area.[1] The dwelling was constructed in 1968 and is 57 years old.[2] Features of the home include a partial basement, central air conditioning, a fireplace, and a 462 square foot garage. The property has an 11,645 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within the subject's

[1] The Board finds the property record card submitted by the board of review, which was not refuted by the appellant, to be the best evidence of the subject's features.
[2] The property record card also indicates that the subject was remodeled in 2019, resulting in an effective age of 1985.

assessment neighborhood and within .31 of a mile of the subject. The comparables consist of two-story dwellings of frame exterior construction ranging in size from 2,089 to 2,432 square feet of living area. The homes are 60 or 61 years old. Each dwelling has a basement, central air conditioning, a fireplace, and a 440 square foot garage. The comparables sold from April 2023 to October 2025 for prices ranging from $555,000 to $845,000 or from $239.53 to $404.50 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of $189,548, for an estimated market value of $568,701 or $242.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $207,385. The subject's assessment reflects a market value of $622,217 or $264.77 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within the subject's assessment neighborhood and within .31 of a mile of the subject. Comparable #2 is the same property as the appellant's comparable #3. The comparables consist of two-story dwellings of brick or frame exterior construction ranging in size from 2,109 to 2,432 square feet of living area. The dwellings are 57 to 60 years old. Each dwelling has a full basement, central air conditioning, a fireplace, and a 420 or 440 square foot garage. The comparables sold from January 2023 to February 2024 for prices ranging from $591,900 to $776,150 or from $267.70 to $354.57 per square foot of living area, including land.[3] Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board, with one comparable being common to the parties. The Board gives less weight to the appellant's comparable #4, as well as the board of review's comparables #1, #3, and #4, which sold less proximate to the assessment date at issue. The Board finds the parties' remaining comparables sold proximate to the assessment date and are similar to the subject in age, location, dwelling size, and features. These most similar comparables sold in February and October 2024 for prices ranging from $550,000 to $845,000 or from $239.53 to $404.50 per square foot of living area, including land. The subject's assessment reflects a market value of $622,217 or $264.77 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. Based on

[3] The board of review reported that the common comparable sold for a price of $692,167 with the appellant reporting a sale price of $700,000.

this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
