FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Jeff Fjeldheim
DOCKET NO.: 25-01179.001-R-1
PARCEL NO.: 16-32-107-018

The parties of record before the Property Tax Appeal Board are Jeff Fjeldheim, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$57,700
IMPR.:	$150,006
TOTAL:	$207,706

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of brick and frame exterior construction with 2,052 square feet of living area.[1] The dwelling was constructed in 1956 and is 69 years old.[2] Features of the home include a crawl-space foundation, central air conditioning, a fireplace, and a 264 square foot garage. The property has an 11,625 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within the subject's

[1] The Board finds the property record card submitted by the board of review, which was not refuted by the appellant, to be the best evidence of the subject's features.
[2] The property record card also indicated that the subject was remodeled in 2014, resulting in an effective age of 1979.

assessment neighborhood and within .73 of a mile of the subject. The comparables consist of one-story dwellings of frame exterior construction ranging in size from 2,257 to 2,386 square feet of living area. The homes are 68 or 69 years old. Each dwelling has central air conditioning, a fireplace, and a 276 or 575 square foot garage. Two comparables each have an 8,999 square foot parcel. The comparables sold in January 2023 and May 2025 for prices ranging from $524,000 to $590,000 or from $222.88 to $259.19 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of $171,667, for an estimated market value of $515,0553 or $251.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $207,706. The subject's assessment reflects a market value of $623,180 or $303.69 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within the subject's assessment neighborhood and within .7 of a mile of the subject. The comparables consist of one-story dwellings of brick exterior construction ranging in size from 1,806 to 2,078 square feet of living area. The dwellings are 67 or 68 years old. Each dwelling has central air conditioning and a garage ranging in size from 264 to 669 square feet of building area. Two comparables each have a partial basement and one comparable has a fireplace. The parcels contain either 9,000 or 20,720 square feet of land area. The comparables sold from November 2024 to May 2025 for prices ranging from $585,000 to $676,000 or from $310.18 to $374.31 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of six comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparable #1, which sold less proximate to the assessment date at issue. The Board also gives less weight to the board of review's comparables #2 and #3, which differ from the subject in foundation. The Board finds the parties' remaining comparables sold proximate to the assessment date and are similar to the subject in age, location, dwelling size, and features. These most similar comparables sold in May 2025 for prices ranging from $585,000 to $676,000 or from $247.28 to $374.31 per square foot of living area, including land. The subject's assessment reflects a market value of $623,180 or $303.69 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
