

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kevin Cole
DOCKET NO.: 25-01185.001-R-1
PARCEL NO.: 16-32-307-025

The parties of record before the Property Tax Appeal Board are Kevin Cole, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$61,739
IMPR.: \$354,293
TOTAL: \$416,032

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story dwelling of frame exterior construction with 3,700 square feet of living area. The dwelling was constructed in 2019 and is 6 years old. Features of the home include a full basement, central air conditioning, and a 770 square foot garage. The property has an 11,700 square foot site and is located in Deerfield, West Deerfield Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales located within the subject's assessment neighborhood and within .34 of a mile of the subject. The comparables consist of two-story dwellings of frame exterior construction ranging in size from 3,904 to 4,270 square feet of living area. The homes are 21 to 23 years old. Each dwelling has a basement, central air conditioning, a fireplace, and a garage ranging in size from 619 to 737 square feet of building

area. The parcels range in size from 10,402 to 16,200 square feet of land area. The comparables sold from January 2023 to July 2025 for prices ranging from \$1,125,000 to \$1,395,000 or from \$280.46 to \$326.70 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of \$346,532, for an estimated market value of \$1,039,700 or \$281.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$416,032. The subject's assessment reflects a market value of \$1,248,221 or \$337.36 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within the subject's assessment neighborhood and within .92 of a mile of the subject. The comparables consist of two-story dwellings of brick, stone, or frame exterior construction ranging in size from 2,642 to 3,540 square feet of living area. The dwellings are 3 to 19 years old. Each dwelling has a full basement, central air conditioning and a garage ranging in size from 420 to 670 square feet of building area. Three comparables each have a fireplace. The parcels range in size from 8,250 to 10,494 square feet of land area. The comparables sold from August 2024 to May 2025 for prices ranging from \$980,000 to \$1,280,000 or from \$323.30 to \$397.08 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparable #1, which sold less proximate to the assessment date at issue. The Board also gives less weight to the board of review's comparable #3, which differs from the subject in dwelling size. The Board finds the parties' remaining comparables sold proximate to the assessment date and are similar to the subject in location, dwelling size, and features. These most similar comparables sold from January 2024 to July 2025 for prices ranging from \$1,057,500 to \$1,395,000 or from \$288.17 to \$397.08 per square foot of living area, including land. The subject's assessment reflects a market value of \$1,248,221 or \$337.36 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
