

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Frances Mattila
DOCKET NO.: 25-01202.001-R-1
PARCEL NO.: 10-27-206-101

The parties of record before the Property Tax Appeal Board are Frances Mattila, the appellant, by attorney Arden Edelcup, of Tax Appeals Lake County in Lake Zurich; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$40,738
IMPR.: \$86,303
TOTAL: \$127,041

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of vinyl siding exterior construction with 1,423 square feet of living area. The dwelling was constructed in 2014 and is 11 years old. Features of the home include a concrete slab foundation, central air conditioning, and a 420 square foot garage. The property has a 5,715 square foot site and is located in Mundelein, Fremont Township, Lake County.

The appellant contends assessment inequity with regard to the improvement as the basis of the appeal. In support of this argument the appellant submitted information on three equity comparables located in the subject's assessment neighborhood and within .35 of a mile of the subject. The comparables consist of one-story dwellings of vinyl siding exterior construction containing 1,423 square feet of living area. The homes were built in 2010 or 2014. Each dwelling has central air conditioning and a 420 or 500 square foot garage. The comparables

have improvement assessments ranging from \$83,250 to \$86,870 or from \$58.50 to \$61.05 per square foot of living area. Based on this evidence, the appellant requested a reduced improvement assessment of \$86,303 or \$60.65 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$131,196. The subject property has an improvement assessment of \$90,458 or \$63.57 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on three equity comparables located within the subject's assessment neighborhood and within .29 of a mile of the subject. The comparables consist of one-story dwellings of vinyl siding exterior construction containing 1,404 or 1,410 square feet of living area. The homes are 10 or 12 years old. Each dwelling has central air conditioning and a 420 or 466 square foot garage. The comparables have improvement assessments ranging from \$87,048 to \$88,629 or from \$62.00 to \$62.86 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill. Admin. Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill. Admin. Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted a total of six equity comparables to support their respective positions before the Property Tax Appeal Board. The Board finds the parties' comparables are similar or identical to the subject in age, location, dwelling size, and features. The comparables have improvement assessments ranging from \$83,250 to \$88,629 or from \$58.50 to \$62.86 per square foot of living area. The subject's improvement assessment of \$90,458 or \$63.57 per square foot of living area is above the range established by the comparables in this record. Based on this record and after considering adjustments to the comparables for differences from the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
