FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Rhoda Gaule
DOCKET NO.: 25-01239.001-R-1
PARCEL NO.: 16-26-105-017

The parties of record before the Property Tax Appeal Board are Rhoda Gaule, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$74,347
IMPR.:	$284,646
TOTAL:	$358,993

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of wood siding and stone exterior construction with 2,962 square feet of living area. The dwelling was constructed in 2015 and is approximately 10 years old. Features of the home include a basement with finished area, 3½ bathrooms, central air conditioning, a fireplace and a 441 square foot garage. The property has an approximately 9,760 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends assessment inequity, with respect to the improvement assessment, as the basis of the appeal. In support of this argument, the appellant submitted information on three equity comparables located in the same assessment neighborhood code and on the same street or within .15 of a mile of the subject. The comparables are improved with 2-story dwellings of wood siding or wood siding and stone exterior construction ranging in size from 2,932 to 3,525

square feet of living area. The homes range in age from 7 to 12 years old. Each comparable has a basement with finished area, 4½ bathrooms, central air conditioning, and a garage ranging in size from 399 to 462 square feet of building area. Two comparables each have one or two fireplaces. The comparables have improvement assessments ranging from $273,576 to $314,895 or from $88.97 to $93.31 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to $269,008 or $90.82 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $358,993. The subject has an improvement assessment of $284,646 or $96.10 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same assessment neighborhood code and within .87 of a mile of the subject property. The comparables are improved with 2-story dwellings of wood siding or stone exterior construction ranging in size from 2,203 to 3,554 square feet of living area. The homes range in age from 0 to 7 years old. Each comparable has a basement with finished area, 4½ or 5½ bathrooms and central air conditioning. Three comparables each have one or two fireplaces, and three comparables have a garage ranging in size from 420 to 462 square feet of building area. The comparables have improvement assessments ranging from $255,082 to $365,916 or from $102.03 to $115.79 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven equity comparables for the Board's consideration. The Board gives less weight to the board of review's comparables #3 and #4 which are less similar to the subject in age, dwelling size, and/or lack of garage amenity, a feature of the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables and the board of review's comparables #1 and #2 which are more similar to the subject in location, age, design, dwelling size and other features. These comparables have improvement assessments that range from $273,576 to $314,895 or from $88.97 to $104.61 per square foot of living area. The subject's improvement assessment of $284,646 or $96.10 per square foot of living area falls within the range established by the best comparables in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's

improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
