FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Frank Lafasto
DOCKET NO.: 25-01422.001-R-1
PARCEL NO.: 16-07-408-010

The parties of record before the Property Tax Appeal Board are Frank Lafasto, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$224,645
IMPR.:	$281,539
TOTAL:	$506,184

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick exterior construction with 5,493 square feet of living area. The dwelling was constructed in 1995 and is approximately 30 years old. Features of the home include a 3,022 square foot basement with 3,021 square feet of finished area, 4½ bathrooms, central air conditioning, a fireplace, in-ground swimming pool with bath house and a 1,100 square foot garage. The property has an approximately 68,389 square foot site and is located in Lake Forest, West Deerfield Township, Lake County.

The appellant contends assessment inequity, with respect to the improvement assessment, as the basis of the appeal. In support of this argument, the appellant submitted information on nine equity comparables located in the same assessment neighborhood code and on the same street or within .45 of a mile of the subject. The comparables are improved with 2-story dwellings of wood frame exterior construction ranging in size from 5,301 to 5,631 square feet of living area.

The homes range in age from 31 to 39 years old. Each comparable has a 2,190 to a 3,330 square foot basement, with one having 2,222 square feet of finished area. Each comparable has from 3½ to 6 bathrooms, central air conditioning, one or two fireplaces and a garage ranging in size from 832 to 1,212 square feet of building area. The comparables have improvement assessments ranging from $170,037 to $253,486 or from $30.96 to $46.28 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to $238,396 or $43.40 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $506,184. The subject has an improvement assessment of $281,539 or $51.25 per square foot of living area.

In support of its contention of the correct assessment, the board of review submitted information on four equity comparables located in the same assessment neighborhood code and within .42 of a mile of the subject property. The comparables are improved with 1.75-story to 2-story dwellings of brick or wood siding exterior construction ranging in size from 4,866 to 5,978 square feet of living area. The homes range in age from 36 to 38 years old. Each comparable has a 1,904 to a 3,932 square foot basement with 1,428 to 2,949 square foot of finished area, 6½, 7 or 10½ bathrooms, central air conditioning, two, three or four fireplaces and a garage ranging in size from 806 to 1,536 square feet of building area. Two comparables have an in-ground swimming pool. The comparables have improvement assessments ranging from $243,290 to $325,016 or from $50.00 to $54.37 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments, for the assessment year in question, of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted thirteen equity comparables for the Board's consideration. The Board gives less weight to the appellant's comparables and the board of review's comparables #1 and #3 which lack of finished basement area or an in-ground swimming pool, features of the subject.

The Board finds the best evidence of assessment equity to be the board of review's comparables #2 and #4 which overall are more similar to the subject in location, age, dwelling size, and other features. These comparables have improvement assessments of $291,118 and $302,531 or $50.82 per square foot of living area. The subject's improvement assessment of $281,539 or $51.25 per square foot of living area falls below the two best comparables in this record on an overall improvement assessment basis and above the two best comparables on a per square foot basis, given the subject's smaller dwelling and economies of scale. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds

the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
