FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Christopher Markos
DOCKET NO.: 25-01506.001-R-1
PARCEL NO.: 11-18-204-076

The parties of record before the Property Tax Appeal Board are Christopher Markos, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***A Reduction*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$69,458
IMPR.:	$152,445
TOTAL:	$221,903

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame and brick exterior construction with 2,959 square feet of living area. The dwelling was constructed in 1998 and is approximately 27 years old. Features of the home include a basement, central air conditioning, a fireplace and a 460 square foot garage. The property has an approximately 10,500 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales located within .20 of a mile of the subject property. The comparables have sites that range in size from 12,227 to 20,666 square feet of land area and are improved with 2-story dwellings of frame exterior construction ranging in size from 2,922 to 3,586 square feet of living area. The dwellings are 26 or 27 years old. Each comparable has a basement, central air conditioning, a fireplace and a garage ranging in

size from 460 to 736 square feet of building area. The properties sold from January 2024 to August 2025 for prices ranging from $663,500 to $770,000 or from $200.71 to $227.07 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to $210,180 which reflects a market value of $630,603 or $213.11 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $229,394. The subject's assessment reflects a market value of $688,251 or $232.60 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales with comparable #1 being the same as the appellant's comparable #2. The comparables are located within .86 of a mile of the subject property. The comparables have sites that range in size from 10,000 to 12,680 square feet of land area and are improved with 2-story dwellings of frame or frame with brick exterior construction ranging in size from 2,922 to 3,222 square feet of living area. The homes were built in 1998 or 1999. Each comparable has a basement, central air conditioning, a fireplace and a garage ranging in size from 460 to 784 square feet of building area. The properties sold from May 2023 to March 2024 for prices ranging from $663,500 to $760,000 or from $227.07 to $240.13 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted six comparable sales for the Board's consideration with one common comparable between both parties. The Board gives less weight to the appellant's comparable #4 and the board of review's comparables #2 and #3 which are less similar to the subject in dwelling size and/or sold less proximate to the January 1, 2025 assessment date. The Board also gives less weight to appellant's comparable #3 due to its substantially larger site size.

The Board finds the best evidence of market value to be the appellant's comparables #1 and #2 and the board of review's comparable #1, which includes the common comparable, which are more similar to the subject in site size, design, dwelling size, age, other features and/or sold proximate to the January 1, 2025 assessment date. These comparables sold in January 2024 and March 2024 for prices of $663,500 and $675,000 or $200.71 and $227.07 per square foot of living area, including land. The subject's assessment reflects a market value of $688,251 or $232.60 per square foot of living area, including land, which falls above the two best comparable sales in this record. After considering appropriate adjustments to the two best comparables for

differences from the subject, the Board finds the subject's assessment is excessive and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
