FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Marlene Levine
DOCKET NO.: 25-01512.001-R-1
PARCEL NO.: 16-22-302-051

The parties of record before the Property Tax Appeal Board are Marlene Levine, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$11,303
IMPR.:	$83,946
TOTAL:	$95,249

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story condo of brick exterior construction with 1,484 square feet of living area. The dwelling was constructed in 1970 and is approximately 55 years old. Features of the home include central air conditioning and a fireplace. The property is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales. The comparables are improved with 1-story condos of wood frame exterior construction ranging in size from 1,260 to 1,484 square feet of living area. The dwellings are 56 years old. Each comparable has central air conditioning and a fireplace. The properties sold from March 2023 to June 2024 for prices ranging from $207,500 to $263,500 or from $164.68 to $184.01 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to $85,569 which

reflects a market value of $256,733 or $173.00 per square foot of living area, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $95,249. The subject's assessment reflects a market value of $285,776 or $192.57 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment the board of review submitted information on two comparable sales. The comparables are improved with 1-story condos of brick exterior construction with 1,288 or 1,484 square feet of living area. The homes were 55 years old. Each comparable has central air conditioning and a fireplace. The properties sold in December 2024 for prices of $299,200 and $310,00 or from $201.62 and $240.68 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #1 through #5 which sold less proximate to the January 1, 2025 assessment date than other properties in the record.

The Board finds the best evidence of market value to be the appellant's comparable #6 and the board of review's comparables which sold proximate to the January 1, 2025 assessment date. These comparables sold in June and December 2024 for prices ranging from $237,000 to $310,000 or from $184.01 to $240.68 per square foot of living area. The subject's assessment reflects a market value of $285,776 or $192.57 per square foot of living area, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
