FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Henry Zander
DOCKET NO.: 25-01526.001-R-1
PARCEL NO.: 16-26-201-034

The parties of record before the Property Tax Appeal Board are Henry Zander, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$15,722
IMPR.:	$189,842
TOTAL:	$205,564

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story townhome dwelling[1] of brick exterior construction with 2,064 square feet of living area. The dwelling was constructed in 2003 and is approximately 22 years old. Features of the home include a basement, central air conditioning and one fireplace. The property is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.94 of a mile from the subject property. The comparables are improved with 2-story dwellings of wood frame exterior construction ranging in size from 1,680 to 2,239 square feet of living area that are 31 to 47 years old. Each comparable has a basement, central air conditioning and one fireplace. Four

properties have a garage with either 399 or 400 square feet of building area. The properties sold from January 2024 to May 2025 for prices ranging from $385,000 to $550,000 or from $197.84 to $327.38 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to $144,466 which reflects a market value of $433,441 or $210.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $205,564. The subject's assessment reflects a market value of $616,754 or $298.81 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.50 of a mile from the subject property. The comparables are improved with 2-story or 3-story dwellings of brick exterior construction ranging in size from 1,750 to 2,516 square feet of living area that are 15 to 46 years old. Three comparables have a basement with finished area. Each dwelling has central air conditioning and two properties have one fireplace and a 462 or 506 square foot garage. The properties sold from March to October 2025 for prices ranging from $607,549 to $935,000 or from $347.17 to $409.76 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable sales for the Board's consideration. The Board gives little weight to appellant comparables #1, #3, #4 and #5 along with board of review comparables #1 and #4 which are less similar to the subject in age and/or foundation type than other properties in the record. The Board finds the best evidence of market value to be appellant comparable #2 and board of review comparables #2 and #3 which are more similar to the subject in location, age, dwelling size and some features. However, these properties present varying degrees of similarity to the subject in basement finished area and garage amenity, suggesting adjustments are needed to make these properties more equivalent to the subject. These comparables sold from January 2024 to October 2025 for prices ranging from $450,000 to $935,000 or from $200.98 to $409.76 per square foot of living area, including land. The subject's assessment reflects a market value of $616,754 or $298.81 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the subject's assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
