FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Paul Weiss
DOCKET NO.: 25-01531.001-R-1
PARCEL NO.: 16-27-102-002

The parties of record before the Property Tax Appeal Board are Paul Weiss, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$58,192
IMPR.:	$95,868
TOTAL:	$154,060

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a tri-level dwelling[1] of brick exterior construction with 1,230 square feet of living area. The dwelling was constructed in 1953 and is approximately 72 years old. Features of the home include a basement/lower level with finished area, central air conditioning, one fireplace and a 682 square foot garage. The property has an approximately 9,128 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on eight comparable sales, seven of which are located within 0.53 of a mile from the subject property. The comparables have sites that range in size from 7,083 to 10,337 square feet of land area and are improved with 1-story dwellings of wood frame

[1] The Board finds the best description of the subject was found in its property record card, submitted by the board of review and not refuted by the appellant.

exterior construction ranging in size from 1,102 to 1,466 square feet of living area and are 64 to 73 years old. Seven comparables have central air conditioning, one home has a fireplace and three properties have a garage ranging in size from 286 to 528 square feet of building area. The properties sold from June 2023 to May 2025 for prices ranging from $310,000 to $450,000 or from $263.70 to $356.76 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to $131,597 which reflects a market value of $394,830 or $321.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $154,060. The subject's assessment reflects a market value of $462,226 or $375.79 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located within 0.41 of a mile from the subject property. The comparables have sites that range in size from 7,300 to 9,117 square feet of land area and are improved with 1-story dwellings of brick exterior construction ranging in size from 1,073 to 1,234 square feet of living area and are 72 or 78 years old. Each comparable has a basement with finished area and central air conditioning. One home has a fireplace and two properties have either a 264 or 768 square foot garage. The properties sold from December 2024 to March 2025 for prices ranging from $425,000 to $482,500 or from $370.53 to $449.67 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eleven comparable sales for the Board's consideration. The Board gives reduced weight to appellant comparables #1, #2, #3 and #5 through # 8 along with board of review comparable #3 which lack a garage amenity, in contrast to the subject, and/or sold in 2023, less proximate to the January 1, 2025 assessment date than other properties in the record.

The Board finds the best evidence of market value to be appellant comparable #4 and board of review comparables #1 and #2 which sold proximate to the assessment date at issue and are more similar to the subject in location, age, dwelling size and some features. These comparables sold from December 2024 to May 2025 for prices ranging from $430,000 to $482,500 or from $324.77 to $449.67 per square foot of living area, including land. The subject's assessment reflects a market value of $462,226 or $375.79 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the best comparables for differences from the subject, the

Board finds the subject’s assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
