FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Randy Bauwens
DOCKET NO.: 25-01536.001-R-1
PARCEL NO.: 16-27-402-018

The parties of record before the Property Tax Appeal Board are Randy Bauwens, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$56,662
IMPR.:	$131,921
TOTAL:	$188,583

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 1,858 square feet of living area.[1] The dwelling was constructed in 1960 is approximately 65 years old and an effective year built of 1980. Features of the home include a basement with finished area, central air conditioning, one fireplace and a 484 square foot garage. The property has an approximately 11,128 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located from 0.77 of a mile to 1.30 miles from the subject property. The comparables have sites that range in size from 7,440 to

[1] The Board finds the best description of the subject was found in its property record card, submitted by the board of review, and not refuted by the appellant.

12,192 square feet of land area and are improved with 1-story dwellings of wood frame exterior construction ranging in size from 1,500 to 2,077 square feet of living area. The dwellings are 59 to 75 years old. Each comparable has a basement with “0” finished area, central air conditioning and a garage ranging in size from 299 to 484 square feet of building area. Three homes each have one fireplace. The properties sold from April 2024 to February 2025 for prices ranging from $460,000 to $595,000 or from $278.16 to $357.83 per square foot of living area, land included. Based on this evidence, the appellant requested the subject’s total assessment be reduced to $167,823 which reflects a market value of $503,519 or $271.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $188,583. The subject's assessment reflects a market value of $565,806 or $304.52 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment the board of review submitted information on two comparable sales located within 0.95 of a mile from the subject property. The comparables have sites with 9,374 or 9,594 square feet of land area and are improved with 1-story dwellings of brick exterior construction that have 1,458 or 1,836 square feet of living area. The homes are 67 or 72 years old. One comparable has a basement with finished area and one comparable has no basement foundation. Both comparables have central air conditioning, one fireplace and a 240 or 308 square foot garage. The properties sold in May 2024 and February 2025 for prices of $551,000 and $595,000 or $324.07 and $377.91 per square foot of living area, land included. Based on this evidence, the board of review requested the subject’s assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted seven comparable sales for the Board’s consideration. The Board gives little weight to appellant comparables #2 and #3 along with board of review comparable #1 are less similar to the subject in location and/or lack a basement foundation in contrast to the subject’s finished basement.

The Board finds the best evidence of market value to be appellant comparables #1, #4 and #5 along with board of review comparable #2 which are more similar to the subject in location, age, design, dwelling size and most features. These comparables sold from May 2024 to February 2025 for prices ranging from $460,000 to $595,000 or from $286.47 to $377.91 per square foot of living area, including land. The subject's assessment reflects a market value of $565,806 or $304.52 per square foot of living area, including land, which falls within the range established by the best comparable sales in this record. After considering appropriate adjustments to the best

comparables for differences from the subject, the Board finds the subject’s assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
