FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Marc Zisook
DOCKET NO.: 25-01537.001-R-1
PARCEL NO.: 16-34-200-017

The parties of record before the Property Tax Appeal Board are Marc Zisook, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$128,256
IMPR.:	$261,282
TOTAL:	$389,538

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of Dryvit exterior construction with 3,710 square feet of living area.[1] The dwelling was constructed in 1998 and is approximately 27 years old. Features of the home include a basement with finished area, central air conditioning, one fireplace and a 784 square foot garage. The property has an approximately 40,284 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales located within 0.53 of a mile from the subject property. The comparables have sites that range in size from 19,467 to 35,445 square feet of land area and are improved with 2-story dwellings of wood frame exterior construction

[1] The Board finds the best description of the subject property was found in its property record card, submitted by the board of review, and not refuted by the appellant.

ranging in size from 3,226 to 4,253 square feet of living area. The dwellings are 46 to 84 years old. Each comparable has a basement with "0" reported finished area, central air conditioning, one fireplace and a garage ranging in size from 378 to 720 square feet of building area. The properties sold from May 2023 to July 2025 for prices ranging from $613,000 to $920,000 or from $152.34 to $285.18 per square foot of living area, land included. Based on this evidence, the appellant requested the subject's total assessment be reduced to $294,297 which reflects a market value of $882,979 or $238.00 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $389,538. The subject's assessment reflects a market value of $1,168,731 or $315.02 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales located within 0.39 of a mile from the subject property. The comparables have sites that range in size from 8,245 to 24,881 square feet of land area and are improved with 2-story dwellings of brick or stucco exterior construction ranging in size from 2,840 to 4,480 square feet of living area. The homes are 27 to 87 years old. Each comparable has a basement with finished area, central air conditioning and one fireplace. Three properties have a garage ranging in size from 400 to 736 square feet of building area. The properties sold from November 2023 to February 2025 for prices ranging from $950,000 to $1,400,000 or from $312.40 to $440.14 per square foot of living area, land included. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds a reduction in the subject's assessment is not warranted.

The parties submitted nine comparable sales for the Board's consideration. The Board gives reduced weight to the appellant's comparables and board of review comparables #1 and #2 which range from 19 to 60 years older in age when compared to the subject.

The Board finds the best evidence of market value to be board of review comparables #3 and #4 which are more similar to the subject in location, age, design and some features. However, these properties present varying degrees of similarity to the subject in site size, dwelling size and garage amenity, suggesting adjustments are needed to make these properties more equivalent to the subject. These comparables sold in November 2023 and April 2025 for prices of $950,000 and $1,400,000 or $312.40 and $312.50 per square foot of living area, including land. The subject's assessment reflects a market value of $1,168,731 or $315.02 per square foot of living area, including land, which is bracketed by the two best comparables in this record, on an overall market value basis and above the two best comparables on a price per square foot basis.

However, considering appropriate adjustments to the best comparables for differences from the subject, the Board finds the subject’s assessment is justified and a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
