FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Cynthia Alpert
DOCKET NO.: 25-01563.001-R-2
PARCEL NO.: 16-36-308-111

The parties of record before the Property Tax Appeal Board are Cynthia Alpert, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$133,292
IMPR.:	$342,671
TOTAL:	$475,963

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of stucco exterior construction with 2,963 square feet of living area. The dwelling was constructed in 2018 and is 7 years old. Features of the home include a full basement, central air conditioning, and a 462 square foot garage. The property has a 3,550 square foot site and is located in Highland Park, Moraine Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales located within .27 of a mile to 1.52 miles from the subject. The comparables consist of one-story dwellings of frame exterior construction ranging in size from 2,429 to 3,480 square feet of living area. The homes are 27 to 76 years old. Each dwelling has central air conditioning, a fireplace, and a garage ranging in size from 437 to 550 square feet of building area. Four comparables each have a basement

foundation. The parcels range in size from 3,920 to 12,484 square feet of land area. The comparables sold from August 2024 to October 2025 for prices ranging from $750,000 to $1,400,000 or from $289.99 to $419.10 per square foot of living area, including land. Based on this evidence, the appellant requested a reduced assessment of $365,400, for an estimated market value of $1,096,310 or $370.00 per square foot of living area, including land, when applying the statutory level of assessment of 33.33%.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $475,963. The subject's assessment reflects a market value of $1,428,032 or $481.95 per square foot of living area, land included, when using the 33.33% statutory level of assessment.

In support of its contention of the correct assessment the board of review submitted information on three comparable sales located from .03 of a mile to 1.36 miles from the subject. The comparables consist of one-story dwellings of brick or wood siding exterior construction ranging in size from 2,665 to 3,016 square feet of living area. The dwellings are 7 to 45 years old. Each dwelling has central air conditioning and a garage ranging in size from 460 to 624 square feet of building area. Two comparables each have a basement foundation and one comparable has a fireplace. The parcels range in size from 3,270 to 11,415 square feet of land area. The comparables sold from May 2022 to July 2024 for prices ranging from $1,350,000 to $1,550,000 or from $506.57 to $519.48 per square foot of living area, including land. The board of review also submitted a copy of the listing sheet associated with the appellant's comparable sale #2, noting that it sold on the Private Listing Network. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of nine comparable sales to support their respective positions before the Property Tax Appeal Board. The Board gives less weight to the appellant's comparables #2, #4, #5, and #6, as well as the board of review's comparables #1 and #3, which differ from the subject in dwelling size, foundation, and/or sold less proximate to the January 1, 2025 assessment date at issue. The Board finds the parties' three remaining comparables sold proximate to the assessment date at issue and are more similar to the subject in dwelling size and features. These most similar comparables sold for prices ranging from $852,000 to $1,550,000 or from $289.99 to $513.93 per square foot of living area, including land. The subject's assessment reflects a market value of $1,428,032 or $481.95 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
