FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Brenda Schmid
DOCKET NO.: 25-01578.001-R-1
PARCEL NO.: 11-08-304-011

The parties of record before the Property Tax Appeal Board are Brenda Schmid, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$72,231
IMPR.:	$94,741
TOTAL:	$166,972

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 1-story dwelling of brick exterior construction with 1,934 square feet of living area. The dwelling was constructed in 1978 and is approximately 47 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace and garage with 452 square feet of building area. The property has an approximately 12,669 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four comparable sales located in the same assessment neighborhood code than the subject property. The comparables have sites that range in size from 9,989 to 21,036 square feet of land area. The comparables are improved with split-level dwellings of frame or brick and frame exterior construction each containing 2,263 square feet of living area. The comparables are 48 or 498 years old. Each comparable has an unfinished basement, central air conditioning, one fireplace and a garage with 482 square feet of building area. The comparables sold from April 2023 to May 2024 for prices ranging from $440,000 to

$525,000 or from $194.43 to $231.99 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $166,972. The subject's assessment reflects a market value of $500,966 or $259.03 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%. In support of its contention of the correct assessment, the board of review submitted information on three comparable sales. The comparables are located in different assessment neighborhood codes than the subject property. The comparables have sites ranging in size from 14,598 to 31,909 square feet of land area. The comparables are improved with 1-story dwellings of brick or frame exterior construction ranging in size from 1,688 to 1,819 square feet of living area. The comparables were built from 1951 to 1972. Each comparable has central air conditioning and a garage ranging in size from 528 to 660 square feet of building area. Two comparables each have an unfinished basement and one comparable has one fireplace. The comparables sold from June 2024 to April 2025 for prices ranging from $455,000 to $715,000 or from $264.53 to $423.58 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of seven comparable sales for the Board's consideration. The Board has given less weight to the appellant's comparables due to their dissimilar design and/or remote sale dates occurring in 2023 which is less proximate in time to the January 1, 2025, assessment date given other sales available in the record. The Board has given reduced weight to board of review comparable #1 due to its lack of a basement and/or age when compared to the subject.

The Board finds the best evidence of market value to be board of review comparable #2 and #3. The Board finds that these two comparables sold more proximate to the January 1, 2025, assessment date and are most similar to the subject in design, age, basement and features. However, comparable #3 is slightly smaller in dwelling size and has a larger lot size when compared to the subject, suggesting adjustments would be required to make the comparable more equivalent to the subject. Nevertheless, the comparables sold in July 2024 and April 2025 for prices of $570,000 and $715,000 or $313.36 and $423.58 per square foot of living area, including land. The subject's assessment reflects a market value of $500,966 or $259.03 per square foot of living area, including land, falls below the two best comparable sales in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
