FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Kazim Hasan
DOCKET NO.: 25-01585.001-R-1
PARCEL NO.: 11-17-112-005

The parties of record before the Property Tax Appeal Board are Kazim Hasan, the appellant, by attorney Ronald Kingsley, of Lake County Real Estate Tax Appeal, LLC in Hawthorn Woods; and the Lake County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Lake** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$69,513
IMPR.:	$190,315
TOTAL:	$259,828

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Lake County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of brick and frame exterior construction with 4,224 square feet of living area. The dwelling was constructed in 1988 and is approximately 37 years old. Features of the home include an unfinished basement, central air conditioning, one fireplace and garage with 484 square feet of building area. The property has an approximately 11,140 square foot site and is located in Libertyville, Libertyville Township, Lake County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on three comparable sales located in the same assessment neighborhood code than the subject and within .13 of a mile from the subject property. The comparables have sites that range in size from 10,301 to 13,434 square feet of land area. The comparables are improved with 2-story dwellings of brick, frame or brick and frame exterior construction ranging in size from 3,445 to 4,391 square feet of living area. The comparables range in age from 36 to 39 years old. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces and a garage ranging in size from 528 to 756 square feet of

building area. The comparables sold from May 2023 to April 2024 for prices ranging from $582,000 to $745,000 or from $157.04 to $185.78 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $259,828. The subject's assessment reflects a market value of $779,562 or $184.56 per square foot of living area, land included, when applying the statutory level of assessment of 33.33%. In support of its contention of the correct assessment, the board of review submitted information on three comparable sales. The comparables are located in a different assessment neighborhood code than the subject and within .40 of a mile from the subject property. The comparables have sites ranging in size from 9,942 to 13,883 square feet of land area. The comparables are improved with 2-story dwellings of brick and frame exterior construction ranging in size from 3,711 to 3,941 square feet of living area. The comparables were built from 1989 to 1999. Each comparable has an unfinished basement, central air conditioning, one or two fireplaces and a garage with 460 or 528 square feet of building area. The comparables sold from June 2024 to July 2025 for prices ranging from $840,000 to $937,500 or from $226.35 to $237.94 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration. The Board has given less weight to appellant's comparables #1 and #3 due to their remote sale dates occurring in 2023 which is less proximate in time to the January 1, 2025, assessment date given other sales available in the record. The Board has given reduced weight to board of review comparables #1 and #2 due to their differences from the subject in dwelling size and/or age.

The Board finds the best evidence of market value to be appellant's comparable #2 along with board of review comparable #3. The Board finds that these two comparables sold more proximate to the January 1, 2025, assessment date and are most similar to the subject in design, age, dwelling size and some features. The comparables sold in April 2024 and July 2025 for prices of $745,000 and $937,500 or $169.67 and $237.94 per square foot of living area, including land. The subject's assessment reflects a market value of $779,562 or $184.56 per square foot of living area, including land, falls below the two best comparable sales in this record. Based on this record and after considering adjustments to the best comparables for differences when compared to the subject, the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
