FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: Arun Muthalagu
DOCKET NO.: 25-02997.001-R-1
PARCEL NO.: 07-01-09-105-014-0000

The parties of record before the Property Tax Appeal Board are Arun Muthalagu, the appellant, by attorney David Kieta, of Kieta Law LLC in Winfield; and the Will County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Will** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$72,932
IMPR.:	$179,598
TOTAL:	$252,530

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Will County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 2-story dwelling of frame exterior construction with 3,281 square feet of living area. The dwelling was constructed in 2000. Features of the home include a basement, central air conditioning, a fireplace and a 690 square foot 3-car garage. The property is located in Naperville, Wheatland Township, Will County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on six comparable sales located within .69 of a mile from the subject. The comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 3,195 to 3,390 square feet of living area. The dwellings are 20 to 25 years old and have basements. Each home has central air conditioning and a 2-car or a 3-car garage. The comparables sold from May 2023 to November 2024 for prices ranging from $667,000 to $750,000 or from $202.29 to $224.19 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's total assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of $252,530. The subject's assessment reflects a market value of $757,666 or $230.93 per square foot of living area, land included, when using the statutory level of assessment of 33.33%.

The board of review submitted a memorandum from the township assessor's office that critiqued the appellant's comparables.

In support of its contention of the correct assessment, the board of review submitted information on four comparable sales located within .70 of a mile from the subject. The comparables are improved with 2-story dwellings of frame exterior construction ranging in size from 3,275 to 3,324 square feet of living area. The dwellings were constructed in 2000 or 2004 and have basements. Each comparable has central air conditioning, one fireplace and a garage ranging in size from 678 to 770 square feet of building area. The comparables sold from June 2024 to May 2025 for prices ranging from $790,000 to $890,000 or from $237.81 to $269.781 per square foot of living area, including land. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The record contains a total of ten comparable sales for the Board's consideration. The Board gives less weight to appellant's comparable sales #2 and #3 which sold in 2023, less proximate in time to the January 1, 2025, assessment date than the other comparables in the record.

The Board finds the best evidence of market value to be appellant's comparables #1, #4, #5 and #6 along with the board of review comparables which sold proximate in time to the assessment date at issue and are similar to the subject in location, age, dwelling size and most features. The comparables sold from April 2024 to May 2025 for prices ranging from $670,000 to $890,000 or from $202.29 to $269.78 per square foot of living area, including land. The subject's assessment reflects a market value of $757,666 or $230.93 per square foot of living area land included, which falls within the range established by the best comparable sales in this record. After considering adjustments to the best comparables sales for differences from the subject, the Board finds the subject's estimated market value as reflected by the assessment is supported and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
