FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD

APPELLANT: 1201 Eighth, LLC
DOCKET NO.: 25-03541.001-C-1
PARCEL NO.: 14-34.0-382-018

The parties of record before the Property Tax Appeal Board are 1201 Eighth, LLC, the appellant, by attorney Bradley E. Huff, of Graham & Graham, in Springfield; and the Sangamon County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***A Reduction*** in the assessment of the property as established by the **Sangamon** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND:	$29,106
IMPR.:	$47,553
TOTAL:	$76,659

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed this appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) from a notice of equalization issued by the Sangamon County Board of Review. The appellant challenged the assessment for the 2025 tax year. The Property Tax Appeal Board finds that it has limited jurisdiction over the parties and the subject matter of this appeal.

Findings of Fact

The subject property consists of a commercial property located in Capital Township, Sangamon County, Illinois.

The appellant submitted evidence before the Property Tax Appeal Board claiming the subject's assessment was not reflective of market value. In support of this argument, the appellant submitted a Real Estate Transfer Declaration and settlement statement disclosing that the subject property was purchased in March 2025, for $230,000. The appeal petition indicates the parties to the transaction were unrelated, but the property was not advertised for sale on the open market, which was corroborated by the Real Estate Transfer Declaration.

In establishing jurisdiction, the appellant submitted the final decision issued by the board of review after application of the township multiplier disclosing the subject's final equalized assessment of $81,880. The subject's equalized assessment reflects an estimated market value of

$245,665 when applying the statutory level of assessment of 33.33%. Based on this evidence, the appellant requested removal of the 1.0722 township equalization factor or an assessment reduction from $81,880 to $76,366, which reflects an estimated market value of $229,120

The board of review did not submit its "Board of Review Notes on Appeal" or any evidence in support of its assessment of the subject property as required by section 1910.40(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.40(a). Therefore, the board of review was found to be in default pursuant to section 1910.69(a) of the rules of the Property Tax Appeal Board. 86 Ill.Admin.Code §1910.69(a)

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof.

In reviewing the record, the Board finds the subject's sale in March 2025 failed to meet one of the key fundamental elements of an arm's-length transaction due to the fact the subject property was not advertised for sale on the open market. Nonetheless, the Board finds the only evidence of market value contained in this record to be the sale of the subject property for $230,000. The Sangamon County Board of Review was found in default for failure to file a response to support its assessment of the subject property pursuant rule. (86 Ill.Admin.Code §1910.40(a) and 86 Ill.Admin.Code §1910.69(a)). The subject property's final equalized assessment reflects a market value of $245,665, which is greater than the subject's sale price. Based upon the preponderance of the evidence, the Board finds that a reduction in the subject's assessment is supported.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
